Game of a
lifetime!

Chris Delport's Captains Corner

Congratulations to **William Skinner** for shooting a personal best of 63 at Zwartkop CC.

He made 8 birdies and no drops in a flawless round of golf.

The **Mid-Am Scratch League** starts on **3 August** and Zwartkop CC entered two teams this year. We already assembled a squad of more than 24 players, but if there are members who are 30 years and older with a single figure handicap that wish to be considered, please contact Chris Delport on **079-510-9062** / chrisd@grofin.com

This squad will hold trials on **Sunday, 21 and 28 July** in preparation for the league.

I am proud to announce that we initiated a brand new initiative at Zwartkop CC whereby

Team proud to announce that we initiated a brand new initiative at Zwartkop SC whereby the respective league teams will compete to determine the **Champion League Team** of the club.

On **12/ 13 October 2019**, the 2 Handicap League, the 2 Mid-Am Scratch League, the Open Scratch League, the Senior Handicap League, the Senior Scratch league and Junior League teams will do battle in a matchplay format off handicap.

This great event will end with handing a floating trophy that is sponsored by the Captain, Chris Delport to the winning league team followed by a braai to celebrate this event.

Thanks to the Zwartkop Team!

Our staff spent yesterday morning engaging in a fun team-building activity and followed that up with time spent doing their bit for **Mandela Day**. The team tackled cleaning a section of the river while others got stuck into making another litter trap which Adam will be putting in at the 13th.

We also used the opportunity to thank some of our staff for their long service – **Cedric Mampa** (25 Years); **Simon Setjie**; **Wilson Kgowa** and **Bennett Njili** (15 years) and **Kleinboy Maake** and **Vusi Mahlangu** (5 Years).

Centre of Gravity (CoG) matters

To old & young, male & female, skilled & inexperienced

Whether you swing your driver particularly fast or very slow, the CoG location of your driver impacts significantly on your tee shot performance and playing experience.

Although the CoG location in different drivers might be a few mm apart (in depth and in height), it will have a significant impact on your launch angle and the spin rate on the golf ball. That really, really matters to your experience on the golf course.

40 METRES

Especially to those with slower swing speeds or those with very, very fast swing speeds the difference in tee shot improvement we can create, just by changing launch conditions, can be beyond 40 metres. That's not just a great feeling when you hit the ball further; that could mean an easier #8 iron second shot vs. a more difficult #5 iron. Who wouldn't want that?

Fix your millimetres and metres

Get every metre off the tee your potential deserves. Come and have a tee shot assessment and let's see how we can add 20, 30 and even more metres to your tee shots.

A better life for them

You didn't grow up like this

We used to hear about "computer game addiction" as a crisis with a few oddballs in far-away lands. There is now a "Fortnite Craze" – a computer game that has children locked in their bedroom. Addicted. And it's here and now. Not in far-away places.

Our whole society needs to react to these challenges. We need to find ways to create more fun and enjoyment in the real world. Golf is the greatest game ever invented. No requirement to be a jock. Boys and Girls. Very social. Outdoors. Healthy.

Let us add balance

Have your child enroll into one of our group sessions to learn to play golf, and we'll have them outdoors, interacting, learning new skills, and having a whole stack of fun they can take out onto the golf course. They won't stop playing computer games, but for a couple of hours each time we'll have them off the phone, out from in front of the screen, engaging in fun activity.
