Well-played Michelle!

We love that Michelle acknowledges Elsabe's role in her golf game's improvement.

Dear Elsabe,

Thank you so much for the lesson today, it was great for all of us to meet you. Even though you changed significant aspects of my grip and back-swing, I played a 97 today - my personal best. We will contact you for some follow up lessons soon, your coaching today made a huge difference. Thank you so much.

What are you buying?

More than hope, you want

certainty.

There's already too much that is 'random' in golf. You want a relationship with your irons that will add certainty.

There's quite a large group of golfers who arrive at the club NOT knowing whether they'll shoot in the mid 90s or high 70s that day. The way they strike their iron shots can be so off one day and so perfect another

Get fitted: Add certainty

Does your golf swing require difficult to repeat compromises? Does your brain and body have to intuitively compensate for poorly fitted golf equipment? That's why Professionals desire a simple swing and fitted equipment. It adds certainty.

Certainty adds enjoyment

Let's get your irons checked. Let's help you make sure you have a setup that makes it easier to add more certainty to your golf days ahead. Come and see us, call us or

Consistently better

learning this

If you allow your large muscles to control both your backswing and your downswing, you will hit more straighter and more solid approach shots.

There are many really good reasons to learn how to CONTROL YOUR GOLF SWING using your large muscles:

You'll be much more consistent, and that will create more confidence and a lot more **ENJOYMENT**.

You'll have a **SWING** that others will envy. You will look like a good golfer.

You'll hit a lot MORE GREENS ON

APPROACH reducing the risk of spoiling
your round with visits to the water or
bunkers

You'll **WIN** a lot more holes, matches, and competitions, and your handicap will tumble.

Even if you can't get out to practice much, you'll find it **EASIER** to play the game.

You'll surprise yourself with how much **POWER** you create.

Start a great journey

Don't wait on this. Transform your golf swing; transform your game; transform the enjoyment you get from the game. And we'll make this a fun improvement journey.
