## From the Club

### Club Champs...

Congrats to **Leon Scheepers Jnr.** who is our Club Champion for 2019. He shot 4-over in round one and 4-under in round two for a level par total overall. Ernest Ludick finished runner-up on 3 over while **Heidi Leigh van der Bergh** is the Ladies Club Champion thanks to rounds of 81 & 87.

Sallie Herbst won the B division gross. We recently custom fitted him with a set of Srixon irons, so ask yourself, if you want to play winning golf, why wouldn't you get yourself custom fitted? [Contact the golf shop](#) and we promise to help you improve your game.

Chris Delport had a 1 (on the 3rd), a 2, a 3 and an 8 in his final round 78. Check out the picture below of where Chris Ungerer had a ball end up...should we even ask what he made on that hole?

We gave out R44 500 worth of prizes and would like to thank our sponsors HP; Audi East Rand, Srixon and Aquavita. We'd also like to say a huge thanks to Chris Delpont; Sharon and Dennis Bruyns, the golf shop and catering staff for all their hard work.

Lastly, a big thank you to everyone that took part – we hope you had fun!

### Good news

**Congrats...**

**Tertius Horak** had a HIO on the 15th on Thursday last week and **Chris Delport** had one on the 3rd hole during Club Champs on Saturday.

### Jokers Wild Draw...

Congrats to **Dino De Abreu** who won the Jokers Wild draw on Friday. He took home R424 but didn't find the Jokers Card and so the pot continues to grow...it now stands at **R8805** – and that's before this week's tally is added! Pop down for drink on Friday afternoon where we have live music going and the draw gets done at 18h30!

# Everyone wants forgiveness

And you want it all ways

If your handicap is over 18, then there's a good chance that you either don't get great height on your approach shots, and/or often lose the ball to a fade or slice. There's technology to help: Super Game Improvement!

---

### **Large profile**

You'll notice that these clubs are quite thick. That moves the CoG deeper (further from the face) and lower. The launch angle of the ball will be much higher for better ball flight. The large face provides a huge hitting zone.

---

### **Wherever on the face**

There's going to be technology that protects ball speed heel/toe, and high/low. As much of the face as possible will spring right up to the legal limits.

---

---

### Offset to cure a slice

The offset will not only help to move the CoG deeper, but it also gives you more time to square the face at impact.

That will reduce or even remove your slice.

---

### Stronger lofts

The higher launch angle allows the designer to strengthen the loft to create added distance.

Shorter irons on approach make ball striking easier.

---

*Too many of our inexperienced and higher handicap golfers miss out on the fitting process. They don't think they're skilled enough. Where's the logic? "I'm not that good so I'll play with an iron that makes the game harder!" Get fitted. Make the game easier.*

## Changing shapes

Super game improvement irons used to look like mini metal woods. No longer. Materials, manufacturing and smart design deliver technical assistance in good-looking models. Talk to us. Let us show you. Oh, and let us FIT you.

[Contact us >](#)

**Knock it down. Knock it close.**

Whether the wind is with you or against you, a **LOWER FLIGHTED SHOT** will be **LESS EXPOSED**.

Combine that with how much easier it is to nail your **DISTANCE TARGET** with a lower trajectory and you've got **POWERFUL MOTIVATIONS** to learn to play this shot.

Played with the right technique and this shot spins a ton. The ball stops and even reverses. Setup and ball position at address are important. So is an angle of attack that is shallower than many of you have. You'll even see the very best slightly deloft the club at impact.

Choosing between a high 56° wedge shot or a knock down three-quarter 52° wedge

*approach; the best players will take the knock down every time.*

## Learn to play this shot

If you want to be more accurate from 100 metres in; setting up more birdies or a par-save; then most amateurs would benefit enormously if they could hit their wedge shots on a lower trajectory with more spin. Come on. Be better. It's time to learn a new skill.
