Come for the rugby - Stay for a braai!

We'll be watching the Bokke take on Wales this Sunday and celebrating with a braai afterwards

Srixon/Cleveland Fitting Day

We had a very successful Club Fitting Demo Day last Thursday. Our thanks to **Darryl Thompson** and **Liedeke de Klerk** from Srixon/Cleveland for assisting us.

Hopefully the importance of getting properly fitted was brought home to those that attended!

Congrats to Ruan De Bruin from Zwartkop High School

"Morning Justin, I just want to thank you for the effort you put into Ruan's golf. He got the trophy for Junior Golf Player of the Year last night!"

Future heroes

Justin Godfrey and Weandre Bosman from the Golf Management Campus put the

Trans-Oranje School through their paces at Zwartkop last Friday. We are looking forward to seeing these kids flourish with the support of the SA Disabled Golf Association. Zwartkop is the Home of the SADGA in Gauteng and we take great pride in assisting these youngsters with their golf journey!

We have 7 PGA Professionals on hand at Zwartkop just waiting to help you improve your game – and that doesn't take into account Dale, Dennis & Francois! No other Club has as many professionals ready and willing to help you with your game.

Check out all our heros on our Hero Wall:

What are you buying?

It's NOT off the shelf

find your one.

Whether it's about improving a handicap, shooting low scores, winning competitions, enjoying great shots, or fulfillment from the game, **FITTING** is the **MUST HAVE**.

Golf equipment, especially an iron, is an assembly of the perfect parts for you. Lie angle, length, flex, loft, weight and grip means you can make sure your iron fits you.

Get fitted: Find your ONE

We'll keep telling you that you're one in a thousand. Yes. For each iron model there are usually around 1,000 variations of build. One will deliver more confidence, more magical moments, and more consistency and certainty.

Let's find your ONE

The day you decide you want to improve your approach shots, remember you're not buying a new set of irons. You're buying so much more than that. You're buying something uniquely important to you.

Book a fitting >

Consistently better

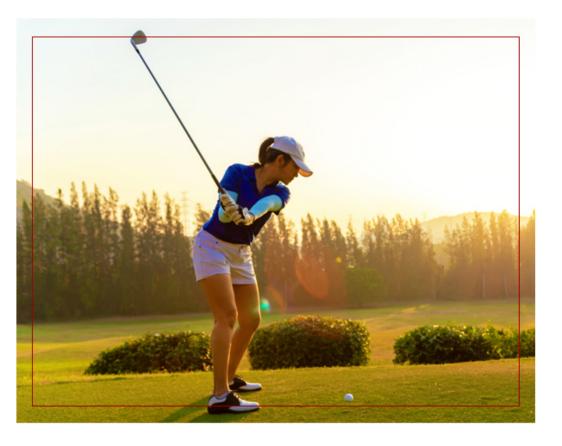

Power in golf doesn't come from the biceps.

Watch the women playing golf on tour. Many are really slender but power the golf ball much

further than most men double their size.

They control their golf swings with their large muscle groups, and that allows them to generate phenomenal power from consistent timing.

So, if you're looking to get 'fit' for golf and want to improve your power and timing, then prioritize your gluteus maximus, your chest, latissimus dorsi and your core.

Start a great journey

Don't wait on this. Transform your golf swing; transform your game; transform the enjoyment you get from the game. We'll make this a fun improvement journey. Learn to control your swing with your large muscles.
