Congrats...

To **Daphne Prinsloo** who had a hole-in-one on the 15th hole on Saturday.

Zwartkop Company Challenge

The 2018 / 2019 Company Challenge ended last week and was won by Waterberg Building Supplies. They won free entry into the 2019 / 2020 event as their prize, which is valued at **R20,000!** There was also a lucky draw for a Corporate Membership at Zwartkop valued at **R58,000**, for a team that played in at least 10 of the 12 events over the year. That was won Deltrofusion. Congrats!

The next Series will start on the **14th August** and there are some big changes. Our aim is to make the Company Challenge much more fun and to help us achieve that, both of the above prizes will now go towards a draw for teams that have played in at least 10 events. There will be just one prize for the winners each month and all other prizes will be

for Nearest the Pins, Longest Drives, Straightest Drives and lucky draws!

The entry fee has not been increased for next year so make sure you contact Sharon if you are interested in taking part – (012)654-1144 / sharon@zwartkopcc.co.za.

Setup and practice

That's right. Get into a better setup (with equipment that allows it). Add more focus to the face angle of your putter at address and at impact; and you'll sink more putts in the 6 to 12-foot range.

This is a bottom line investment. That's right. Your improvement drops immediately to your scorecard. So benchmark your current performance by taking 10x10 foot putts on a perfectly flat lie.

Then consider at least two of three investments.

1. A putter that fits you, allowing you to get comfortably into the perfect setup, with assistance to make sure your face angle is square to the target line.
2. An assessment and refresher to help make sure that, along with setup and posture, your grip and stroke allow the face to return square to target at impact.
3. Practice with aids to help make sure your face angle is as square as possible at address and at impact.

Get a check-up

Improving your ability to square the putter face at impact will likely take up to 5 shots off your scorecard. There are some simple keys to that improvement. Setup and putter are part of that equation. So come and see us.

No charge for custom upgrades
