Otway's 100th & Brian's 50th...

We paid tribute to Otway and Brian Hayes yesterday with a host of family, friends, golf industry representatives, Honourary and Honourary Life Zwartkop members in attendance.

Brian has been at Zwartkop for 50 years this month – just think about that! Otway would have turned 100 this month and he worked here for 56 years. Thank you to everyone that joined us and made it special.

Jokers Wild Draw pot has grown to R19 245...

James Beukes won R724 on Friday, but there's still been no luck finding the joker card. With less and less cards to turn over, the odds of a winner are getting higher. Can you afford to miss out on being here?

Join us for cocktails and live music and the Jokers Wild Card Draw gets done at 18h30.

On Saturday, we had a fantastic **Music on the Green** event, which was well supported by the homeowners and members alike. We trust you all enjoyed the afternoon relaxing while listening to some seriously talented local artists.

Fear not. We've got more to keep you entertained and fed over the next few weeks!

Tuesday is Half Price Pizza Night

Every Tuesday evening – live music and half price pizza's. T's & C's apply.

Wooster Wednesday

Congratulations to Zwartkop staff member **Margaret Claasen** and her husband Neil on the birth of their third child last Wednesday. We wish them a healthy & happy family.

Did you know that Zwartkop has the biggest library of golf books in Africa? More words have been written about golf in books than all other sports combined.

There are over 2500 books in the golf shop, which are available for all our members to borrow – free of charge. Please chat to the gents in the golf shop as we do need you to write down your name, the date and the title of the book you are borrowing.

Clubhouse...

We hope you like the new look of the clubhouse – new colour, new pictures and other little tweaks here and there to make your second home more comfortable. The lounge is now almost complete – just a few final touches still to be completed and then it will be ready for your next function, conference, party or wedding – give Ina in catering a call!

There's still a lot of painting to be done and we still have to upgrade the men's locker rooms. Don't forget that as a Zwartkop member you are eligible for a 25% discount when you buy from Promac Paints. Call them on (012) 804-7305.

Chris Delpont's Captains Corner...

The Zwartkop Men's Senior Scratch ZCC 2 league team lost to Wingate 2nd team 3&1 and the Waterkloof team 2.5 & 1.5 at Woodhill.

ZCC 1 played against Woodhill and PGC at Woodhill in the 3rd round of the Senior Scratch league on Saturday. We unfortunately lost 2.5 / 1.5 to Woodhill with a win by Robin Ashby and a half by Chris Delpont. We however had a 4 / 0 clean sweep victory against PGC.

Over the past few weeks we have been talking about how drivers have improved and I'm sure you would all agree that we could all benefit with a new driver in the bag.

When you are looking at buying a new driver you are essentially looking at a club that will give you the perfect height, carry and roll out off the tee. For that reason you need a driver that has got the right shaft with the correct flex, the right loft and a driver that will give you the minimum amount of spin on the ball to maximize your driving distance.

If you are struggling to strike the ball consistently, you might want to consider getting a driver with a larger hitting zone to deliver a more consistent result on your tee shots.

The centre of gravity of your driver also plays a very important role in how every shot feels and at what loft the ball comes off the face after contact. This will have a huge impact on the height of your drive as well as the total amount of roll you get on the fairways.

Taking all of these factors into play to hit a perfect drive, we can easily see how important it is to have a driver custom fitted to your swing. So please feel free to swing by the golf shop to let the guys arrange a custom fitting for you.

Wingate / Waterkloof / Zwartkop Alliance

Just a reminder that we have an Alliance between ourselves; Waterkloof and Wingate, which allows you to play at their courses at member's rates. Please do remember to follow the Rules when using the Alliance: -

- Bookings can only be made by our golf shop staff so contact Ian, Joseph, Vusi or Johan and they will make the booking on your behalf. Please do not arrive at Wingate or Waterkloof without an advance booking having been made by our staff!
- Bookings are subject to availability and can only be made one week in advance for games Monday to Friday and Sunday.
- Bookings for Saturday afternoons can only be made the day before.

• Bookings for Saturday afternoon can only be made the day before.
• Saturday mornings are excluded from the arrangement.

Feel the thrill

Two steps to the ride of your life

Generating longer distance from the tee with a perfect strike is made a lot easier if you're playing with two components fitted for your tee shot.

The shaft flex and the way the shaft performs needs to match both your clubhead speed and how you "load" the shaft. Do you have an even tempo or do you start back aggressively?

The clubhead design needs to work with your swing speed and strike pattern to transfer your clubhead speed into the maximum ball speed on the best trajectory with the optimum spin rate.

speed on the best trajectory with the optimum spin rate.

Center of Gravity location

CoG location has a much greater impact on launch angle and spin rate than golfers imagine.

Hitting zone size and location

This is an obvious search for golfers. Some drivers are designed to better accommodate certain strike patterns.

Loft

Loft is again an obvious selection criteria, but it's a selection that needs to take into account the shaft and CoG location.

We're delivering thrills

Creating the perfect match of ball speed, launch angle, and spin rate, maximises the distance you'll get off the tee. A change of just 1° and 500rpm can unlock 20 metres. How much potential can we unlock for you? Act now.

How good could you be?

Play together. Practice together.

Life needs more than work. Experts now believe that loneliness reduces your life span, mental agility, earning power, and ability to hit #7 irons closer. OK, maybe we added the last one, but not the rest. Those same experts also recommend exercise, but we'd also offer additional advice.

*What are you up for now? Oh yes,
protein shake and recovery
in a darkened room.*

*What are you up for now?
Try and walk to the bar after an
hour on that saddle!*

Golf is great exercise. Even hitting 50 – 70 shots practicing burns calories. Add a focus to that practice, and you gain the reward of accomplishment; a new skill acquired (with payback out on the golf course). And bring friends to practice. It's fun; it's feedback, it's a "recovery drink" in the bar afterward.

You need someone to share a drink with

Getting friends to practice, provides the opportunity for fun competition, feedback, and a shared experience afterward. We'd be happy to help make your sessions as productive as possible with some extra advice and feedback.
