

## Dale's two-cents on Club Champs...

*The Zwartkop Club Championship is just around the corner. If you are serious about trying to do well, you need to start preparing now. My father Otway always found it amusing to see members suddenly appear on the driving range 2, 3 or 4 days before to find some miracle that was going to help them win their division in Club Champs.*

*Well miracles are unreliable. Consistent practice sessions under the watchful eye of a professional is what will make the difference between a bad weekend and bragging rights for the next 12 months.*

*Club Champs are so different. Suddenly you have a scorecard and you have to count every shot. I never won a Club Championship. I placed in two at Zwartkop and finished second to John Fourie both times. Denis Hutchinson on the other hand won every Club Championship he ever played in, which was 16 times at different golf clubs. He won 3 at Hillside and 2 at Railton (which were both in Mutare where he grew up) and then after moving to South Africa he won 6 at ERPM and 5 at Germiston.*

So, the bottom line is we are here to help you play your best this year. Even if it's not your best, we want you to have fun, so why not put in some time now to fix those niggles that are holding you back.

Our next **Club Champs Clinic** will focus on the short game – now that's where you can save some shots!

Join us on **Wednesday, 11th March** where **Dale, Elsabe & Justin** give you some advice. They will be doing a video analysis, which will then be sent to you afterwards so that you can refer back to it while you practice. Space is limited so bookings are essential – be sure not to miss out.

We are confident that it will be worth your while.

## This week's Hero...

*Well done Lubanzi!*

Lubanzi Tselane attended the World Championship Qualifier at Huddle Park over the weekend and won the Under-9 Division. He has qualified to play in a host of events in the USA including Pepsi's Little Peoples Golf Championship.

Lubanzi attended last week's Club Champs clinic with his dad so we hope he was able to glean something from that which helped his performance over the weekend. We are proud of you!

Next up for Lubanzi is the US Kids Big 5 SA Open at Zebula this weekend.

## **Product of the Week**

### *Callaway Mavrik Irons*

We have the whole range of Callaway Mavrik Irons now in stock.

Let's look at the **MAVRIK Max** – the ideal irons if you are looking to improve your iron play. The MAVRIK Max irons will give you a consistent and high launch, and will ensure that you get a spin on almost every shot. There is no better way to obtain the type of shots you've always dreamed of hitting.

This dynamic design is not as chunky as the usual game improvement irons. Take a look at it from above and see for yourself. You can even come down to the club to book a fitting – we are confident that the results will speak for itself.

We are looking forward to seeing you out on the range, or for a fitting.

## Unlock extra distance

*Are you leaving*  
**METRES OUT**  
*on the course?*

*As much as we may not want to admit it, there's only so much we can do about our golfing ability. But we can always avoid simple fitting mishaps that rob us of metres.*

### **Get every metre you're capable of**

Two common mishaps are playing with a loft that launches the ball too high, and a shaft/head that generates too much spin for your swing speed. And many golfers often aren't even aware it's a problem.

## No metre untapped

Once we know your swing characteristics, we can fit you with a loft and shaft that's going to make it easier for you to launch the ball further down the fairway.

## Four reasons why

Accompanied play

isn't a 'lesson'

We're looking to book 9-hole accompanied play with golfers who might not be as experienced or committed to the game.

---

*We don't want to "give" you a lesson. But sometimes, while we're enjoying a fun time out on the course, the smallest change or simplest insight, helps to make golf a great love affair.*

### Want to play 9 with us?

If you'd like us to reach out and see if we can schedule 9 holes with you (and perhaps a couple of other members), then please let us know.
