

We are looking on the bright side of things

We are constantly being flooded with information with regards to the Coronavirus – it's exhausting and difficult to stay focused. The truth of the matter is that life will go on, even if it moves forward in a slightly altered form, for the next while or so.

Golf is played in an outdoor space, and should be a welcome relief from the amount of stress that the world is under, at the moment. A visit to the golf course affords you the right dosage of sunlight in a relaxing environment, which is beneficial to the immune system.

The bottom line is that the Club will still be open, and we would like encourage you not to panic during this time, but to rather take necessary precautionary measures.

Here are a few things that we would suggest you implement during this time:

- Wash your hands with soap & water frequently / Keep hand sanitizer in your golf bag
- Practice social distancing
- First prize - Book and pay for you golf online, or tap your own credit cards when making payments.
- If you take a cart - wipe down the golf cart steering wheel. If you would rather not share a cart - a Single rate of R200 (members) & R250 (visitors) will apply – first come first served.
- If using a caddie – consider him as your advisor and bag carrier but handle your own clubs
- Please putt with the flagstick in the hole - we will wipe the flagsticks down

We will be taking the following precautions at the Club:

- Have hand sanitizer available around the clubhouse.
- Implement increased sanitation measures across the facility.
- Ensure our halfway house & restaurant tables are more spread out to allow for the required space between people.
- Temporarily closing the showers - please shower at home
- Wipe down golf cart steering wheels, seats and consoles.
- Remove all the bunker rakes. Course staff will rake the bunkers but we ask players to continue to repair their use of the bunkers, using their feet or clubs
- Group golf lessons are cancelled for now but private lessons still going ahead

Stay safe and healthy – we look forward to seeing the back end of the virus!

With this all in mind please take note that the Nite Race scheduled for Wednesday, 19th March has been canceled.
