We really wish you could see what the golf course looks like. You would be blown away. Seriously, the fairways look like carpets and the greens are calling your name. It's a travesty that you are not able to get out there, but we, and GolfRSA, are hopeful for good news very soon.

We have had help from some members who, during their exercise window, have been out collecting rubbish on the golf course which was left over from the floods early into lockdown. The difference is astounding. A huge thank you to all of you – you know who you are, and we thank you enough.

As you can see, we've had some frost over the last few days. Winter is definitely here, so please stay warm and healthy!
