Welcome back to Zwarties - we missed you!

Standing outside the clubhouse and seeing golfers out on the course this weekend was such a thrill. No matter how you played we hope you enjoyed your round, being with friends and just enjoying the crisp but clear winter days.

If you played you would have noticed that things have changed and there are new rules, regulations and limitations in place. If you didn't read the document in the Broadcast Message on Friday please do – [click here](#). We need you to help us by abiding by these Rules so that we all remain safe and virus-free!

We thank you for your loyalty and support over the last three months and hope we get to see a lot more of you.

Well done to **Marcel Theron** who literally “broke the ice” on the putting green on Saturday morning at -4 degrees! He and his four-ball were first off on a very icy-cold Saturday morning.
