## Spring has sprung!

It isn't funny, but it is true, that most Spring days are actually really cold! Let's hope we at least get a little rain today, which the course could really do with.

Just a reminder that we changed over to our summer tee times today. This is great news, as it means there are slightly more times available for you to play, especially as the days are becoming longer.

From today there is a nominal "green fee charge" when using the Pitch & Putter Mashie Course. It's **R30** for juniors and **R50** for adults, and is payable in the Golf Shop. Your ticket must be handed in to the starter on the 10th tee.

## "Uncut" Fairways

Today's "uncut" staff video is with **Adam Hayes**. In addition to spilling an "uncapped" secret, he tells us why this time of year is his favourite.

## We're celebrating life

We're celebrating Spring and life itself with some live music at the Club. Come down and spend some time relaxing in the company of your friends and family.
