This week's Heroes

Youngest and oldest – We thought it would be fun to bring you interviews with our youngest and oldest members. This week we spoke to two of our oldest, or should we rather say longest, members.

We are very fortunate to have many members who have been at Zwartkop for over 40 years. Two brothers, who play almost every Saturday, are **Peter** and **David Good**. They joined Zwartkop in 1964!

In this short interview with Dale, they share a few of the changes they have seen over the years to Zwartkop and to golf.

Gain your confidence on the course

This week Elsabe looks at the **incorrect tilting of the hips**, which can cause a pull or slice.

Elsabe Hefer is the Head Teaching professional at Zwartkop. She has been a PGA Pro for 20 years and is one of their Top 20 Teachers

Stay in play

Know your risk and work with it

Negotiating a golf course successfully is about weighing up risk versus reward. Knowing your dispersion patterns enables you to adjust your aim, so you can minimise the risk of going out of bounds and reap the rewards of staying in play.

Not sure what your dispersion pattern is? Let's get on the range and find out.

[Discover your dispersion >](#)

"On a tight hole, your driver dispersion may be too wide for you to hit the shot with confidence. This is an opportunity to use a club with a tighter dispersion that might not go as far, but keeps you in the game."

"Another hole might have a higher risk of you landing your drive in the rough. But you may decide to still hit your driver and get as far down the fairway as you can, because it opens the hole up for an easier approach, even from the rough."

Improve your odds

A better golfing experience doesn't only mean improving your swing. Sometimes it's simply a matter of making better choices. We're here to help you with it all.

More time for golf

Mind the gaps

If you're one of the many people who've started working from home, you've got gaps in your schedule that weren't there before. How are you filling those gaps?

With more sleep, exercise or work?

OR

With more time on the golf course?

We recommend you fill those gaps with pockets of joy at one of our practice clubs.

Practice with purpose

Practice clubs give your training direction and purpose. Not only are you getting expert feedback on your swing, but you've got a small group of fellow golfers practising with you. That's a chance to listen in, share ideas and struggles, and make new friends. Now that's practice with purpose.
