#### The Masters

We're excited to watch the first round of the final Major of the year. Some of us will be attending the Zwartkop version of the **Champions Dinner** this evening, which should be great fun.

We'll tune in to watch Christiaan Bezuidenhout, Dylan Frittelli, Justin Harding, Louis Oosthuizen, Charl Schwartzel, Erik van Rooyen and Trevor Immelman. You can be sure we'll be rooting for one of them to lift the trophy come Sunday!

SuperSport will cover all the live action, with both early coverage and a main feed from 19h45 each evening.

#### How's this for a stat?

Jack Nicklaus won his 6th Masters in 1986, 23 years after his first. He was ranked 33rd in the world. If Tiger wins this week, it will be his 6th Masters, 23 years after his first. He is ranked 33rd in the world going into this week.

Enjoy!

## **Otway Hayes Senior Classic**

This weekend is the **Otway Hayes Senior Classic** and we'd like to wish all the Zwartkop members who are taking part, the very best of luck. This event offers SAGA points for Senior Amateur golfers. As usual, we have attracted most of the best players in South Africa. The 36-hole event is played on Saturday afternoon and Sunday morning. We are looking forward to another very exciting tournament.

**Chris Delport** always puts a lot of effort into organizing this event and we hope that the weather holds and that everything goes smoothly!

# Stay in play

Know your risk and work with it

Negotiating a golf course successfully is about weighing up risk versus reward. Knowing your dispersion patterns enables you to adjust your aim, so you can minimise the risk of going out of bounds and reap the rewards of staying in play.

Not sure what your dispersion pattern is? Let's get on the range and find out.

## Discover your dispersion >

"On a tight hole, your driver dispersion may be too wide for you to hit the shot with confidence. This is an opportunity to use a club with a tighter dispersion that might not go as far, but keeps you in the game."

"Another hole might have a higher risk of you landing your drive in the rough. But you may decide to still hit your driver and get as far down the fairway as you can, because it opens the hole up for an easier approach, even from the rough."

## Improve your odds

A better golfing experience doesn't only mean improving your swing. Sometimes it's simply a matter of making better choices. We're here to help you with it all.

# A game for all

Introduce her to golf

Women account for just a quarter of golfers worldwide. But the positive benefits of golf apply to everyone, regardless of gender, age, or ability.

#### **Health and wellness**

A single round is at least 10,000 steps out in the fresh air. You're getting movement and stress relief in one.

#### **Social connection**

Golf is a great way to make new friends or strengthen existing relationships, or both. And there's also lots of opportunities to network.

Golf may be a challenging game, but overcoming obstacles during a round builds confidence and helps you achieve self-actualisation.

### Get her involved

If you know any women you think would be interested in golf, why not gift her a lesson or invite her to the course?
