We captured some awesome pictures last week – proof that there were moments of sunshine between the clouds and rain. With wild rainfall recorded in most parts of South Africa, we have been very fortunate with the river, until today. Let's hope that Eloise starts to move on out of here very soon!

The greens are nearly back to their top form after hollowtyning. In fact, all we need is a bit of sun so that they can recover fully, but as Dale shows you – they aren't doing too badly at all.

There are burn marks on a few of the greens such as the 8th, 14th and 17th, which were caused by the load shedding just before the hollowtyning, but they have been reseeded.

We are putting in solar panels at the water pump to ensure that load shedding does not affect the watering of the golf course. The panels will be placed to the right of the 16th hole, which is where the pump is situated.

Junior Ryder Cup Challenge

We have a couple of **spots still available** for kids to take part in the Ryder Cup Challenge this week. Give Elsabe a call!

A promotional poster for the Junior Ryder Cup Challenge. The poster has a blue background with white text and several circular graphics containing golf balls. In the top left corner is the Twartkop Country Club logo, which features a yellow bird on a golf club. The main text reads: "JUNIOR RYDER CUP" in large blue letters, followed by "Wed, 3rd Feb" and "Foursomes AM & Betterball PM" in white. Below that is "Thurs, 4th Feb" and "Singles AM" in white. Further down, it says "R400 pp incl greenfees & prize giving" in white. In the center is a photograph of two young men standing outdoors with their arms crossed; one is wearing a blue shirt and the other a red shirt. To the left of the photo is a European Union flag, and to the right is a United States flag. At the bottom, it says "Contact Elsabe on 082-922-8408" in white.

Valentine's Day

COVID is no match for romance.

We have an idea for you for Valentine's Day that will get you out in the fresh air with a decadent picnic basket. You can enjoy your picnic under the trees on the mashie course or in the comfort of your own home. This is going to be the perfect evening now that we are able to include a bottle of red or white wine.

A huge thank-you to our “resident” Lions Club of Centurion Lifestyle

Lions Rob and **Marion Fowler** were at Zwartkop last week to conduct eye tests on our staff. Those who need further testing will be referred to DeJager Oogkundiges and Centurion Lifestyle Lions Club will pay for any spectacles that may be required. We greatly appreciate their support.

If you have any unused spectacles lying around your house, you are more than welcome to donate them to the Lions as they can pass them onto those less fortunate. Please hand them in to Linda.

Giving thanks to our medical staff in our area

Zwartkop recently got involved in an initiative in the Centurion area, which sent out a thank you to medical

personnel for their efforts during these challenging times. On behalf of the members and staff, we delivered *Mugs of Love* to those who provide services close to us – and especially to our staff – **Medicross Saxby**, **MediPractice@Saxby**, **Practice on Saxby**, and the **Lancet Laboratory on Saxby**.

Jokers Wild Draw

Carlo du Plessis won R492 in Friday's Draw. The pot is growing and now stands at **R22,961.00**. Come down to the Club, listen to some live music from 17h00. The draw gets done at 18h30.

RIP Clive Anderson

We are sorry to advise that **Clive Anderson** passed away over the weekend. Our condolences go out to his brother, Peter, who is a Zwartkop member, as well as to the rest of his family and friends.

Ecolife Golf & Wildlife Expedition – 8-day program

Here's something completely different that might appeal to you:

This golf-wildlife expedition takes place from **11–18 April 2021** in the lowveld, and has been put together with the input of well-known wildlife and golf experts. You will have the opportunity to participate in a wildlife capture operation, play golf on five top golf courses, and so much more! **Wildlife Conservation** and the new **Africa Wildlife Medical Center** are beneficiaries.
