

Heroes of the week

It's fabulous to see the youngsters at the Club. In fact, I saw a bunch of young kids out on the course playing with their parents on Sunday afternoon.

If you didn't take up the game as a kid, don't you regret it?

Getting a hold on the basics of the game from an early age sets you up for life – even if you stop playing for a while. I also can't think of a better way to spend quality time as a family.

Junior & Adult Group Classes

We have a host of Junior Group classes available which are great fun for the kids – and they will get to make new friends outside of their school environment. Give Adam a call to discuss your options on **074-747-2030**.

Junior Group Lessons

R1200 / school quarter for 1 hour / week

The very best for you

Blow away the myth, everyone benefits from a fitting.

What are your priorities when you're looking at buying a new set of irons? What is most important to you?

The number one reason some golfers don't think they should be fitted:

"I am not good enough to justify a fitting, I'm an inexperienced golfer."

That's wrong. An inexperienced or less skilled golfer who makes sure their equipment works for them, will actually see bigger benefits than the best golfers do.

Skilled, low handicap golfer. Good ball striking skills.

Inexperienced, inconsistent ball striker struggling to find the sweet spot.

Two golfers are 150 metres from the green; which one needs the most help from their equipment? Very good golfers can make adjustments. Less experienced golfers can't.

No matter your skill level, a fitting is a must

Before you drag something off the shelf or drop it in your digital cart, let's start a conversation about your swing. Let's match equipment to your game to get the best result.

Yes you can

Last week we talked about the added motivation you get from a positive goal linked to an emotional feeling or thought. If you didn't read it, you can

Catch up now >

I know that some of you doubt your ability to have a great, or even good, golf swing. Some of you seem prepared to live with the playing experience you have. Don't. This isn't about having a lower handicap or winning trophies. It's about being able to play a particular shot with more skill.

That might mean that you're no longer the shortest in your fourball. It might mean that you're able to shoot as low as those you play with, despite being shorter off the tee. It might mean experiencing the joy of hitting greens with mid-irons on a regular basis.

Yes you can

Every one of you can make an improvement to some part of your game. Every one of you can enhance your playing experience in a way that matters to you. Why not try and write down what it could be?
