## Our Hero of the Week...

Talk about introducing them to the game young!

Good thinking by **Brent Goddard** who answered the dilemma of what to do when you want to play golf, but also have to babysit. Kill two birds with one stone!

Seems like we'll have a few extras joining in on the dads' fourball on Saturdays from now on. Bet that baby loved it and will one day hopefully be a loyal golf member too!

The practice paid off as **Brent** also came out on top at this past Sunday's Singles Club event with 36 points. **Marco Anderson** came in a close second with 33 points. **Chris Delport** won the nett with 36 points and **Hein Wijburg** slotted in second with 32 points.

The next event will be played on Sunday, the 15th of August. Contact Chris for details.

### We're collecting blankets for the homeless!

We mentioned on Tuesday that we are collecting blankets for the homeless. We will be using the Competition Entry Fee Money over the weekend of the **17th and 18th of July**, plus extra money from the Club, to buy **134** blankets in honour of Mandela Day (67 years of fighting for social justice x 2).

We hope to cover at least **80-odd blankets** this way and the Club will cover the rest. All prizes that weekend will be done on a lucky draw basis and we'd like to thank Glenbrynth Whisky for supporting us. We will also do a few other lucky draw prizes to ensure that **20%** of the golfers go home with a prize.

If you have any old – or new – blankets that you would be prepared to donate to the cause, please drop them off in the golf shop – we have a big box waiting!

### **WE NEED YOUR HELP!**

**We're collecting blankets for the homeless...**

**If you have any to donate, please drop**  
**them off in the golf shop before 17th July.**

Please repair your pitchmarks!

## The game of a lifetime

*Enjoy and grow together*

Getting your child into golf and including yourself in that journey creates a lifelong bond. It's something you can do with them whether they're 4 or 40. That's loads of time to chat, play, bond and grow together.

### Generations sharing the joy

*Golf is a game you can play with your children AND your grandchildren. Three generations connected by a single passion. Think about that opportunity.*

Golf offers your child so much. We've highlighted ten of the best benefits.

## The choice of a Master

What could the ZX5 do for your game?

You can break 85

If you're part of a group of friends shooting scores in the high 80s or early 90s, then you're all on the edge of a big improvement to your on-course experience. To be shooting those scores, you're already showing the athletic ability to play this game well.

### **Shooting low 80s is a lot of fun**

We're looking for a group of friends who want to go the next step, and all make the improvement to be shooting low 80s most times out. Interested? You don't need to read more.

**Contact us >**

We'll start with an assessment of each golfer to identify the personal opportunities, but our experience tells us that the improvement areas will lead to:

*An extra 10 metres or more off the tee, with more fairways hit. Not reloading or hunting for balls in the trees and rough already makes for a great walk more often.*

*Mid-iron approach shots that are consistently on or around the green. That consistency builds confidence. A spring in the step with more birdie opportunities.*

*From inside 40 metres, the ability to get the ball consistently within one-putt range using a range of short-game shots. Stride onto the green, knowing you're going to save par.*

*Better decisions; better strategies to tackle each hole; risks well taken and risks well avoided. You'll walk with the right thoughts that hole after hole will improve your scorecard.*

## **You can break 85**

If that's a golf experience that appeals to you, then please don't wait. Start the journey to hitting even better golf shots.
