You do need to follow these Rules when using the Alliance:

- Bookings can only be made by our golf shop staff, so contact Joseph, Vusi or Happiness and they will make the booking on your behalf. Please do not arrive at Wingate or Waterkloof without an advance booking having been made by our staff!
- Bookings are subject to availability and can only be made one week in advance for games Monday to Friday and Sunday.
- Bookings for Saturday afternoons can only be made the day before.
- Saturday mornings are excluded from the arrangement.

Maybe it's not your fault

Sliced your drive? Hooked your iron shot? Missed the green from inside 100 metres? Sometimes the reason for these mishits isn't your swing.

A driver shaft with the incorrect flex for you makes it difficult to square the club face at impact. That means more slices off the tee.

A lie angle that's too upright for you can cause the club face to close at impact, resulting in hooked shots.

There are many types of wedge shots that can be played within 100 metres. Playing with the right bounce and grind makes it easier to strike the ball cleanly.

Make the game easier

Golf's tough enough as it is, why make it more difficult by playing with equipment that isn't fitted for you? Let's start by making sure you've got the basics, like lie angle and shaft flex, in place.

Real connection for children

The past 18 months have seen 'connection' become more digital than ever before. While that's enabled many adults to keep working, it's deprived many children of school, sports and friends. Golf can make up for this with skills development, physical activity and friendship.

Golf courses are safe, outdoor environments where children can make positive memories and connections for life.

Get them into golf
