Celebration of Golf Special Offers

Over the week of the Celebration of Golf we will be offering one **5-Year Hole-in-One Membership** (which includes unlimited greenfees), per day for R77,000-00. This is a saving of over R15,000 over the period of 5 years, taking normal annual increases into account.

Our second Special Offer is a **1-Year Pre-Paid Golf Cart**. For R18,000 you can use a golf cart as often as you like. This includes a golf cart for 2 people, for golf. It is not transferable, not even to other family members, and therefore has to be used by the person who purchases the Special Offer.

We will only sell one per day (a total of 8) of each offer, so if you are interested, get in touch with Sharon to "book" one – sharon@zwartkopcc.co.za.

Star of the Week

Shawn Rouse had his first ever hole in one on Tuesday on the 8th hole – well done Shawn

An interesting Ruling

At the golf day last Friday, a player had an issue with one of the recently cut trees on the golf course. When you take a good look at the photo you can see why....

As you can imagine, there was total confusion as to where he had to drop and what the penalty was, if there was one.

His partner claimed it was GUR and that the greenkeeper was in the process of removing the tree entirely. Unfortunately for him, it was decided that it was an unplayable lie and that he could drop within two club lengths of where the ball was, not nearer the hole, and with a 1-shot penalty.

Let us help you to play better golf

This week Adam gives you advice on how to use a bump-and-run shot.

Adam Lowther is an Assistant Teaching Professional at Zwartkop.

Friday Sundowner Competitions

You pay the 9-hole greenfee (*R100 if you don't have a players card*) plus a R50 comp fee to cover prizes. Call the golf shop for bookings on **(012)654-1144**.

Next event:

Fri, 10th September

**A great way to end the week...

Fore Right!
Different by degrees

On Golf.com they published some results from GolfTEC that will interest all golfers playing to a 14 handicap and higher, usually with a worry about their slice.

Most golfers playing to an average or slightly higher handicap have a club face that is at least 3° open to their swing path at impact. High handicap golfers have a club face that is even more open.

It's a simple conclusion, but the data suggests learning to square the face has a profound ability on your ability to keep your ball in play and lower your score.

Become a Fairway Master

Start a journey to having your golf ball in play more often. Get squarer and straighter. Even learn to hit a little draw. Your game will be so much better.

Help them remember

Golf has so much to offer

A lot of people who played golf through their teens and twenties, stop playing as career and family commitments put pressure on their time. Some come back to the game in middle-age. But many don't come back at all. Let's find these ex-golfers and remind them why golf is such a great pastime.

Golf keeps them active

18 holes equals at least 10,000 steps, matching daily health guidelines.

Golf is a very social game

It's a great way to build a strong circle of friends.

Good for relationships

It's the perfect way to spend the day together outdoors with a loved one, sharing healthy competition and joy.

Get them back into it

Have you got a friend, colleague or family member who has forgotten the positive influence golf has on their life? Let's schedule some time at the club together and help them remember.
