## Golf Course work

Just an update on some of the work that we completed just prior to the start of the Celebration of Golf. We have sodded the area's around the 12th green – all that remains is for the new part of the green to be seeded. We have also filled in the bunkers behind and to the right of the 1st and 10th greens. These have now been mounded and sodded.

## KitKat Group Celebration of Golf

### Senior Challenge

We had a great turnout for the Senior Challenge...over 100 players battling it out on a toasty Tuesday morning.

Congrats to **Ed Ruziecki** from Services who won the comp on 42 pts. Hans Drunk was second on 41 pts.

### 9-Hole Shoot-Out

On Tuesday afternoon we held a 9-Hole Shoot-Out. Two teams entered and went off on each nine. After each hole, the player with the worst score fell out. If there was a tie then a chip off was held to determine who took the fall.

In the end Robert Oosthuizen from the front nine, and Marco Anderson from the back nine, were the two players left standing. With a crowd watching, **Robert Oosthuizen** won the chip-off from the edge of the putting green to the 9th green.

It was great fun and we hope to make this a regular event at Zwartkop. What's great about it is that it can start at 15h30.

### Wednesday's Commando

We are fairly sure that many of you weren't entirely sure about a Commando format, and although our first try was disappointing in terms of numbers, those that did play had a great time.

How it works...Eight players in carts, all play together. You hit when you are ready. Two scores of the eight count on each hole. It's great fun, reduced pressure and lots of laughs.

In the end The Team of Chris Delport; Niekie Joubert; Pierre du Toit; Tertius Horak; Paul Bester; Coenie Groenwald; Donald Dykman and Hennie Nel won and it was great to see some of the teams dressing up for the event.

We really do hope to see a lot more of you taking part next year!

## Stars of the Week

We already mentioned that **Crizelda** had a hole-in-one during Monday's pro am and **Johan van Jaarsveld** had an albatross on the 9th hole last Friday!

*Fore Right!*  
There are many ways to here

If you're a golfer (right-handed) who loses the ball into the rough or trees on the right off the tee, then please know that both your smile can be bigger and your handicap lower if we can at least get that club face square to the target.

Whatever your swing path, by squaring the face of your club at impact, we'll increase the chances of your ball being in play or closer to your target.

## Become a Fairway Master

Start a journey to having your golf ball in play more often. Get squarer and straighter. Even learn to hit a little draw. Your game will be so much better.

## Help them remember

*It's time to slow down*

We live in a frantic, online-all-the-time world. It's common for ex-golfers to be unable to pinpoint when or why they stopped playing the game. Somewhere along the line, they simply succumbed to the pressures of modern life.

---

### **The reasons they stopped are the reasons they should restart**

*This kind of life is stressful, it reduces health and wellbeing. Golf is a perfect counterbalance. It's an outdoor physical activity that's social and fun. And it can be played by anyone, young or old, so family members or coworkers can join for a round too.*

## Get them back into it

Have you got a friend, colleague or family member who has forgotten the positive influence golf has on their health and life? Let's schedule some time at the club together and help them remember.
