## Getting the greens ready for the new year

Our course staff once again performed miracles to get the course back in play by yesterday afternoon.

Come the end of the month, we will be hollowtining the greens. With the amount of rain we've had, this will be a welcome relief to the greens.

Remember that hollowtining aerates the greens, which allows the nutrients to reach the roots.

We will start on Monday, 24th January, and should be finished by Tuesday afternoon.

Have some fun on the fairways

We will hold two fun "Desert Classic" events that week – one on Thursday and one on Saturday. We would really appreciate your support.

Wed, 26th January 2022
