From the Club

Join our Demo Day today!

We have just received our new Flitescope Mevo & Launch Monitor and will have it set up on the first tee between 15h00 and 18h00 TODAY!

It gives you 16 data parameters to help you with both your golf swing and equipment choices.

Flightscope is the choice of both Bubba Watson and Bryson DeChambeau, so if it can help their golf games, imagine what it can do for you!

For just R100 (which will cover ball losses & collection) you get to hit 5 balls and we will give you the stats on those shots.

No need to book just come on down – why not stay for Pizza Night!

Course update

We have to say a huge thank you to our staff for their efforts. The clean-up task is massive and they, along with extra casual staff, have been hard at work to try to get 9 holes open for play on Saturday.

We can't guarantee we will be ready to do that, as there has been substantial damage, but we will keep you posted. If we can, the plan is to open 9 on Saturday and all 18 towards the end of next week.

We have machinery in to assist in clearing the fairways and we need to do some work on a few of the bridges to ensure that they are safe for use.

We will also be verti-cutting the greens this week to get the excess silt off of them and hopefully getting in grass sodds as soon as possible to start repairing the fairways.

Give us another day or so and we will make a call on the weekend!

We thank you for your patience and look forward to seeing you soon.

Valentine's Dinner

Thank you to those that joined us for dinner on Saturday evening!
