Happy news ahead of the weekend

## Front 9 opening on Saturday!

As you know we are opening the front nine on Saturday!

Make sure you call the golf shop on (012) 6541144 / 211 or book online at www.zwartkopcountryclub.co.za.

They will now also be doing some extensive work now on the back nine so that we can get that playable by the end of next week.

## Star of the week

We wish **Curtley Roberts** the very best of luck as he has just completed his second-year exams towards his PGA Diploma. All going well, he now progresses to his third and final year.

Curtley is an Apprentice PGA Member and we are incredibly proud to have him on the Zwartkop team. He is also a huge credit to the SA Disabled Golf Association where he not only represents them but mentors some of their junior players.

## Singles club

The next Singles Club event will take place this **Sunday, 20th February**.

Contact the golf shop or Francois Anderson on 082 577 6694 to enter.

We're just winging it at this point...

The Chicken Run

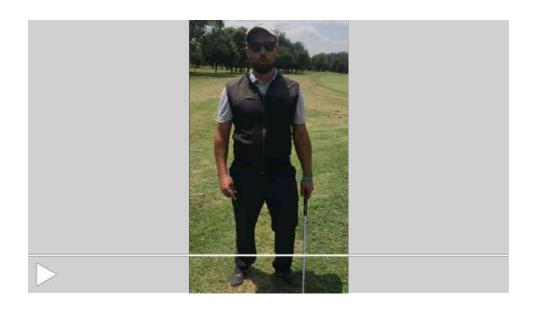

Dale Michler has instigated a fun 9-hole Friday afternoon competition. The first one will be held next Friday...it's bound to be great fun, so let's get out there!

# "Winner Winner Chicken Dinner"

## Let us help you play better golf

In this week's coaching video, Curtley demonstrates how to play a lie where the ball is above your feet.

**Curtley Roberts** is an Apprentice PGA Member and part of the coaching team at Zwartkop.

Now, more than ever

Please remember to repair your pitchmarks!

## Go the distance on the green

Three-putts are one of the main issues for golfers struggling to break 90.

Yet we still see many of those golfers prioritising more distance off the tee.

Going the distance off the tee is important, but going the distance on the green is essential.

#### Face Facts

On putts over 20 feet, regular golfers struggle to consistently find the middle of the face. Part of this is down to stroke mechanics, but another big part of it is an incorrect lie angle.

Get fitted

A lie angle that raises the toe can lead to more toe strikes. This makes accuracy and distance control very difficult.

A lie angle that raises the heel can cause more heel strikes. Your putting stroke could loop as you try to find the middle.

Take ten putts from various 20-foot spots to the same hole on a practice green. If all ten of your putts aren't inside 4-feet, challenge us to get you there.

## Two-putt with ease

When your putter's lie angle is fitted for you, you'll get more of those long putts close to the hole. That could have an even bigger impact on your score than driving the ball further off the tee.

Remove three-putts

# Now you can do even more

The margins of improvement for skilled golfers can be really slim.

That's why golfers in this category will find the new XXIO X Driver so appealing: Ultra-lightweight and easy to swing, but without compromising on performance.

A golfing life

# Save your child from the smartphone

In those who are under 21 years old, the increase in smartphone use and decline in social interaction, is dramatic. The consequence on mental health through adolescence can be catastrophic. Get children – every child you know – into golf.

This isn't merely about growing the number of juniors in the game. This is a real need for children's welfare. We need to get our children outdoors, off the phone, in social interactions, in a safe place.

### 10 ways

We've highlighted 10 of the best ways that golf can improve your child's life.

## Let them play

Please introduce us to anyone you think should enjoy the benefits of golf, but especially children. We'll introduce them to a great social group, teach them a new skill, and best of all, get them off the phone and experiencing the outdoors.

Let's play

## Experience easier

XXIO design their clubs specifically for the everyday golfer who wants an easier, more joyful playing experience.

How much of a difference could the new XXIO 12 Driver and Fairway Wood make to your game?
