GATE ACCESS: Please could we request that all Zwartkop members, visitors and staff use the right-hand lane for access into the club to ensure that we are able to conduct covid screening.

And we're back!

We will be re-opening all 18 holes on Saturday...

This was one of the worst floods that we have ever experienced, so please remember that the course will not be perfect – we did however want to reopen as quickly as possible so that you, our members, could enjoy a round of golf.

Our staff have been working extremely hard to get the course playable, but there are many areas that still need attention and you can be sure we will keep grinding away until we can get it back to where it should be.

Please be patient and remember that you are entitled to a free drop if your ball lies on any sandy / stony area. You are also allowed a free drop out of damaged bunkers.

Remember why you are here – the camaraderie, the laughter, the banter, the nature – and the 19th hole.

We hope you enjoy your round.

Are you chicken...

Or ready to run the gauntlet?

It's not too late to enter our seriously feathery Friday competition. Get in on the action.

Our thanks to Ronnie from Kloofsig Spar for donating the prize chickens!

Stars of the week

The golf course maintenance team are superheroes.

We can't thank them enough for the grit and hard work they have had on display over the last few weeks.

A huge thank you to them for their efforts.

Chris Delport, our Chairman, celebrated his birthday yesterday – we hope you had a great day Chris. We hear there is no truth to the rumour that you turned 50!

Smallest club. Biggest impact

Let's find out where you're at

Here are three benchmark challenges that will give us a good idea of your putting. They'll help us identify your improvement opportunities so you can lower your scores and have more fun on the greens.

4-foot hole-out challenge

Take twenty putts from 4 feet to various holes on the practice green.

Benchmark: *Sink at least ten putts.*

20-foot lag challenge

Take ten putts from various 20-foot spots to the same hole.

Benchmark: *Stop all ten putts inside 4 feet of the hole.*

25-foot impact challenge

Stick impact tape (duct tape also works) to your putter face. Take ten putts from 25 feet.

Benchmark: *Strike at least six putts from the middle of the face.*

Take this opportunity

If you scored below the benchmark on any of these challenges, then we've got an opportunity to add a whole lot more fun and lower scores to your game.
