From the club

Compliments from the Course

Thanks for some of the compliments we have received recently about the golf course. We know the 11th fairway is not great and we will be doing some work on it again as soon as we can. Unfortunately we do have to wait for the growing season to begin so we will get started as soon as it starts warming up.

We do however need your help with some easy to implement and basic golfing etiquette which will make our jobs so much easier to do:

- Repair your Pitchmarks
- Repair your Divots
- Rake the bunkers
- Play Ready Golf

Did you know?

Challenge the Club Captain and Head Professional

Hey, You! Yes, You...

You can now challenge the Club Captain and Head Professional to a match!

All members are invited to Challenge the Club Captain, Francois Anderson and Head Professional, Joseph Phiri, to a match played over 18-holes.

- The format will be matchplay off full handicaps.
- Members can only play once, in order to give as many members a chance to play.
- The Challenges will be played on either Thursday or Saturday afternoons.
- Any team who beats the Captain and Pro will go into a draw which will be done during the first week of October.

The drawn team will get to play a round of golf at a very special golf club with our Captain and Pro, and will also get to enjoy lunch after their special golfing experience.

Chat to either Joseph or Francois to take up the challenge.

Have you downloaded the My Home Club App?

Golf booking

We are using it more and more to communicate with our members so if you haven't downloaded it - you are missing out.

Check out the video to see how to make a golf Booking using the App:

Here's what to look forward to

Let us help you play better golf

This week Adam discusses your carry distance and why it's important to know the difference between your carry distance and your total distance.

Adam Lowther is an Assistant Teaching Professional at Zwartkop.

Get your body and golf in sync

Ask Justin Godfrey how he can help you get the most out of your golf.

He is *Level 1 Titleist Performance Institute (TPI) certified*, and is able to improve your golf through a combination of TPI and golf exercises, especially if there is an underlying weakness in your body which is affecting your golf swing.

Contact Justin on 082-925-0236 details.

Golf Shop

Mind your gaps

Long iron or hybrid?

Hybrids were developed as an easier way to cover the distance you otherwise would have required a long iron for. But before we can decide on whether a hybrid is the right choice for you, we'll need to have a look at your current swing and club setup.

[Let's find out](#)

As part of the fitting process, we'll also need to identify where any performance gap exists: is it at #3- #4-, or #5-iron? And if we determine that hybrid is right for you, do you need a 18°, 21° or 24° hybrid?

Fill the gaps

Skill level doesn't matter. Every golfer should be using a set of clubs that makes the game easier and more enjoyable. Let's make sure you are.

[Book a fitting](#)

Sharpen your short game

With sharper, deeper grooves, the new Cleveland CBX ZipCore Wedges make it easier to control your wedge shots.

Know your distances

Carry and total distance: what's the difference?

● CARRY

Distance from the spot you hit the golf ball to the spot it first hits the ground.

● TOTAL DISTANCE

"Carry" + distance that the golf ball rolls out.

'Carry' is your focus when trying to clear obstacles like water and bunkers, as well as hitting into an elevated green. 'Total distance' is fine for straightforward shots, but something to keep in mind is that it can be influenced by aspects out of your control, like whether the course is wet or dry.

This week's benchmark

Track your average total distance with driver over a full round.

Once you have your average total distance, challenge us to add at least 10 metres to it. If you've completed last week's benchmark and haven't shared your score, you can do so now.

[Tell us your score](#)

| Go the distance

The more we know about your performance from specific distances, the more focused we can be in your improvement process.
