Introduce her to golf

## We'd like your help

Women account for only a quarter of golfers worldwide. We want to increase that number, and we'd like your help. If you have a friend or family member who you think would enjoy this great game, you can help us to create a new golfer and grow the game.

She WANTS to play golf.

She CAN play golf.

She WILL play golf.

## Let us know

If you know a woman who you think could enjoy the health, lifestyle, social and fun benefits of golf, please introduce them to us. Or let them know we've got great coaches and fun introductory programmes.

Performance  
that's more than **skin deep**

Yes, the thicker Spin Skin wrapped around Srixon's Z-STAR gives you even more greenside spin, but its core also delivers the speed you need for longer tee shots.

This is something you really should experience for yourself. Come in and pick up a sleeve and let's improve your game.

Break 100

## Say no to "par pressure"

You don't need a single par to break 100. In fact, over 18 holes, carding 9 bogeys and 9 double bogeys gets you to 99. If you're shooting between 100 and 110, ignoring the par score of every hole is your first step to getting into the 90s.

A photograph of a golf ball on a green with a hole, overlaid with a scorecard table. The table has columns for holes 1 through 18, an 'IN' column, a 'TOT' column, and rows for 'Regular', 'PAR', and 'Player A'. The 'Player A' row shows scores for each hole, with the final total of 99 circled in green.

HOLE	1	2	3	4	5	6	7	8	9	OUT	10	11	12	13	14	15	16	17	18	IN	TOT
Regular	380	190	380	380	470	380	380	190	470	2840	190	380	470	380	380	190	380	470	380	2870	5710
PAR	4	3	4	4	5	4	4	3	5	36	3	4	5	4	4	3	4	5	4	36	72
Player A	5	5	5	6	6	5	6	5	6	49	5	6	7	5	6	4	5	6	6	50	99

*But if you're just struggling to get the ball in the air, let's first spend some time on the range together.*

[Chat to us](#)

Regulation par is irrelevant

Regulation par scoring demands that you have a birdie putt on every hole.

But when you're trying to break 100, a bogey putt on every hole is YOUR "par".

## | Change your mindset

Simple shifts in mindset combined with just one or two improvements can get you to that magic number of 99. For most golfers, a small improvement to their short game gets them there, but what works for you?
