Thank you for helping our Mandela Day efforts!

Yesterday was Mandela Day and our staff took the opportunity to make up our Jars of Hope, bottles or bags of soup ingredients which will be given to homeless shelters in the next day or two.

Thank you to everyone who donated bottles, ingredients and made-up jars to the cause.

It is good to know that we have people that take his legacy to heart and  
TAKE ACTION - INSPIRE CHANGE & MAKE EVERY DAY A MANDELA DAY.

Dealfin (Pty) Ltd is our title sponsor. They are a virtual finance and insurance service provider in the motor and leisure industry.

Their electronic platform integrates with all participating finance houses which delivers application approvals in seconds.

Their finance and insurance business managers will negotiate the best deal with the finance houses and will advise on the best offer to their customers. The finance process is completed and tailored according to the customer - all done remotely, electronically and compliantly according to governing regulations.

Once customers finance approval is in place, the vehicle onboarding process commences. This ensures that the vehicle the customers are interested in passes all the vehicle quality and integrity checks.

Vehicles undergo the following quality and integrity checks - Dekra condition report (a Multipoint check undergone by a Dekra technician that will indicate the overall condition of the vehicle); a Previous Ownership Check which will indicate that the vehicle is free of accident damage; a Higher Purchase Information check which will indicate that the vehicle is unencumbered; a Data Dot verification, which will ensure that the vehicle is not a stolen or cloned car, and an Original Equipment Manufacturer check, which will trace the service history of the vehicle and will indicate historic warranty claims.
