## From the Club

### Star of the week

Congratulations to Matthew Bennet who won the GNGU 18-Hole Junior Event at Zwartkop on Sunday. He shot a round of 1-under 70 to win by three over Woodhill's Ockert Maritz and Silver Lakes' Nicholas Lewis.

Phenyo Sebata shot 15-over to finish second in the Under 13 Gross and won the Under 13 Nett.

## Challenge the Pro and Club Captain

Don't forget to take up the challenge against Joseph and Francois – all you need is a partner.

If you beat the Captain and Pro you will go into a draw (to be done in October) where you could win a special round of golf and lunch.

Introduce her to golf

## Build our social network

Golf, for anyone who might feel a little isolated, is a tremendously social game. It's more social than running. It's more social than cycling. And, it's fun and healthy too. That's why we'd like your help in building our social network by introducing a woman to golf.

The best SOCIAL network

Great for HEALTH

So much FUN

## Build our network

If you know a woman who you think could enjoy the health, lifestyle, social and fun benefits of golf, please introduce them to us. Or let them know we've got great coaches and fun introductory programmes.

At the **core**  
of a **better experience**

We want you to get every bit of distance you're capable of off the tee while still enjoying soft feel and spin around the greens. That's why we trust and recommend the Srixon Z-STAR XV.

It's reformulated core gives aggressive swings the distance they're after with driver and the control they expect with irons and wedges.

Break 100

## Keep it simple around the green

If you're struggling to break 100, we're betting you take too many wedge shots inside 70 metres.

In these situations you should have a singular focus: "Get onto the green with one wedge shot". To do this more often, ignore the flag, it's usually guarded by some form of trouble. Go for the fattest part of the green.

## Try break 36

Place 9 golf balls at various spots around the practice green and see how many shots you need to chip and putt all 9 into the hole. If your score is over 36, you're going to struggle to break 100 out on the course. Let's get together at the practice area and sharpen your short game.

Improve your wedge play
