Duca Del Cosma Zwartkop Winter Shoot-out

Wednesday, 10th August

Next Wednesday we will play a fun Shoot-out event in ladies, juniors, members and Golf Management Campus categories. 10 players in each category tee off on either the 1st or 10th tee and the player with the highest net score on each hole falls out until the last man is standing after the 9th hole is played.

The six winners then go into a "pitch-off" shoot-out to the 9th green and the winner will get to go home with a pair of Italian designed Duca Del Cosma Golf Shoes, valued at R4000.

Tee off is at 15h30 and we invite you to come down and watch this fun event, especially the pitch-off at around 17h30 at the clubhouse.

## Let us help you play better golf

This month Adam assists you with fixing your slice.

He asks to you "feel" your shot - when you hit the ball, aim to get the feeling of hitting the outside of the golf ball. That should help to create a draw.

*Adam Lowther is an Assistant Teaching Professional at Zwartkop.*

Contact Adam on 074 747 2030 / [adam1@zwartkopcc.co.za](mailto:adam1@zwartkopcc.co.za).

Let Adam help you fix your slice...

Adam will be at the range every Saturday this month between 11h30 to 12h00 with the Flightscope.

If you want to check if you are slicing the ball let Adam take a look using the Flightscope and he can then give you a tip or two to work on which will help you to improve.

No need to book just visit Adam on the range!

Better together

Become a golfing family

Family time and golfing time don't have to be mutually exclusive. Golf is one of the few pastimes that enables you to spend several hours outdoors together with your family. It's like going for a nice walk together, but with added fun.

Golf can be played by every member of your family, regardless of age and skill level. And once you're all in the game, you can share in each other's experience and progress.

*By focusing on developing their movement ABCs – Agility, Balance, Coordination, Speed – we give children between 0- and 6-years-old a solid foundation for later golf-specific coaching.*

## Good for the whole family

Being a golfing family means having a shared passion, something you can enjoy together. It's also a great way for you, your children and your partner to stay active and healthy.

No more slice

## Not 'right' from the off?

Last time out, if too many holes were spoiled right from the off, by a slice or big fade off the tee that results in you being in the rough or trees, then the good news is that it's often an easier fix than you think.

*“The club face angle of the driver at impact, vs. swing path, has a much bigger influence on where your ball ends up than with any other club.”*

## No more slice

Finding the fairway off the tee makes the rest of the hole so much more enjoyable. If losing the ball to the trees or rough because a slice or fade ruins too many of your holes, then let's change that right now.
