## From the Club

Duca del Cosma Zwartkop Winter Shootout

Yesterday's shootout was a great success with four teams of 10 players each, taking part.

The ten players teed off on the first tee and the player with the highest score on each hole fell out. If there was a tie, there was either a putt-off or chip-off.

At the end, four finalists remained and they hit one shot from the patio area to the 9th green.

John George Pringle hit it closest to the pin and won a pair of Duca del Cosma Shoes valued at R3000.

The other three finalists – Barries Barnard; Gareth Willing and Ruan Bezuidenhout each won a Zwartkop logo'd Swagg shirt.

Our huge thanks to Duca del Cosma for their generosity.

Better together

## Your most special playing partner

When your child gets into golf, they will develop physically, mentally and socially. They'll learn a new skill. They'll make new friends. But it's not only your child that benefits from getting into the game.

Once your child knows how to play, you'll have a special new playing partner, for life. That makes the game so much more enriching.

*When coaching juniors, we use the time between 6- and 12-years-old to develop foundational golf skills in a casual and fun environment. The aim is for your child to look forward to every new lesson and to fall in love with golf.*

## A first Major for Buhai and a third for SRIXON

Imagine being able to spend a few hours together with your child playing a game you both love. Let's make it a reality for you.

SRIXON Starline Ashleigh Buhai captured her first LPGA Major title at this year's AIG Women's Open. She follows in the footsteps of two other great

South African golfing legends to win at Muirfield, none other than Gary Player and Ernie Els. This is also the third Major win on the LPGA Tour for

SRIXON in 2022.

No more slice

Where are you going from  
here?

Shooting below 85 or even near to that number is very difficult if your first move on the downswing takes your hands “outside the line” (that’s a technical term we use to describe the relationship between your swing and the plane).

*"Once your hands get outside, it is almost impossible to hit a straight shot (unless it's straight left for right-handers). You are trying to manipulate the face to be square to the target line. At best you'll have a fade. Inconsistency is the most likely result."*

## No more slice

Finding the fairway off the tee makes the rest of the hole so much more enjoyable. Then hitting an approach at the green becomes fun. If losing the ball to the trees or rough off the tee, or to the bunkers or water on approach, because a slice or fade ruins too many of your holes, then let's change that right now.

## Now you can do even more

The margins of improvement for skilled golfers can be really slim.

That's why golfers in this category will find the new XXIO X Driver so appealing: Ultra-lightweight and easy to swing, but without compromising on performance.
