21 Club raises money for charity

Written from the perspective of a golfer.

This past Friday Zwartkop Country Club hosted the first 21Club Charity Golf Day. The members of the 21Club identified the charity to be Anchorage Academy, a small school in Tamara Park, Clubview. Providing for all students, but also focusing on students with learning difficulties. Small classes allowing for low ratio of students to educators. Thus providing much more individual attention to each student.

21Club members approached the networks inside and outside the club resulting in a field of 88 players playing in the day. The day was enjoyed by all. It must be said that never before have I personally seen the members of Zwartkop Country Club, the management and staff, step up to the challenge at hand, and own it on this level. All said and done the 21Club charity golf day managed to make a contribution to Anchorage Academy to the value of R100,000.

This would not have been possible without the support of Dale Hayes and the staff of Zwartkop Country Club, members of 21Club and Zwartkop Country Club, the sponsors, the Eagle Hunters, I-Golf and other smaller factions, and last but not least Adam Hayes.

In fact it was truly humbling, what we achieved and how we achieved this. This is why Zwartkop Country Club is more than a Golf Club. It is a family of some of the most amazing individuals on this planet.

Signed: a proud member of 21Club and Zwartkop Country Club

Brian Williams shot one of his best rounds during the event, a nett 66. Looks like that performance surprised his partner - Adam Hayes. No seriously, well done Brian!
