Happy Spring Day!

In true Gauteng style it's been a bit chilly but the temperatures are already on their way back up and we should be in for a great weekend.

Spring times kick in today so just a reminder that morning tee times are 06h15 – 08h28 and afternoon times are 11h15 – 13h28.

Monthly Medal Divisions

To avoid confusion, in future the divisions for the Monthly Medal competitions will be the same as Club Championships, and we will use the handicap index.

A Division – 6 & Under – Strokeplay

B Division – 6.1 – 14.9 – Strokeplay

C Division – 15 upwards – Stableford

Caddie payments

It has come to our attention that some of our caddies are being paid cash in hand.

Please remember that our caddies are employed through a company called Induku, which ensures that they are protected by the Basic Conditions of Employment Act.

Paying them in cash means that they do not receive the benefits of UIF, Sick Leave; Annual Leave or Funeral Fund, which is based on per bag they carry.

Please therefore ensure that you pay for your caddie in the golf shop so that we can properly account for their bags and guarantee they receive their benefits.

Challenge The Club Captain &
Head Professional

With just on a month to go before the draw takes place, you need to get your challenge match set up with Joseph and Francois!

Find a partner, book a date to play them and if you beat them you will go into a draw (to be done in October) where you could win a really special round of golf and lunch.

Contact Joseph in the golf shop to set your date!

My Home Club App

The App has some great functions. Did you know that you can book a round of golf, place a take-away order, book a lesson and even book a salon appointment through the App? Adam shows you how:

Let us help you play better golf

This month Adam Lowther focuses his tips on helping you to **Break 90**.

This week he advises you to think your way around the golf course.

Planning how to play every shot, from tee to green, will not only help to set you up perfectly for your next shot, but will also helpfully reduce the number of shots you play.

Adam Lowther is an Assistant Teaching Professional at Zwartkop.

Individual Lessons:

We have a host of PGA Professionals for you to choose from, so give one of them a call.

Elsabe – 082-922-8408

Justin - 082-925-0236

Adam - 074-747-2030

Curtley - 071-809-3754

Whether it's an individual or group class, a one-off lesson or a package. Give them a call to discuss your options on **082-922-8408**.

Remember to repair your pitchmarks!

Left for even the shortest time means it takes a lot longer for the greens – and fairway divots to heal.

- Bookings are subject to availability and can only be made one week in advance for games Monday to Friday and Sunday.
- Bookings for Saturday afternoons can only be made the day before.
- Saturday mornings are excluded from the arrangement.

Get the ball flying

Does it have a mind of its own?

It often seems like it, doesn't it? Everything about your swing felt right, but where's your golf ball going?

Your golf ball's a quick thinker. All its decisions are made in about 500 microseconds. We've discovered that a golf club that doesn't fit you has a much bigger influence over your golf ball's flight than we thought.

You're in charge

The setup of your equipment, and the way you're delivering club face to ball, determines what happens next. Let's make sure you enjoy what happens next by ensuring your clubs and golf ball fit your game.

Thinking your way to an achievement

In many ways, the par on a hole is miss-leading and not especially relevant. Each hole holds a particular set of challenges you need to navigate. If you're shooting in the 90's it helps to break that challenge down into three parts.

If you're shooting in the 90's, whenever you stand-up on the tee box, don't think about the 'par'. Look at what's in front of you. Think back from the center of the green (from where you're planning two-putts) and plot a journey of makeable shots.

Want to be accompanied?

Game management is as much a part of golf as the swing. If you'd like to have someone accompany you over 9 or 18-holes, offering advice and guidance, and finishing with insight on the quickest way to be make 90 and easy number to beat, then
