Our river efforts continue as we head into the rainy season

The team of "river staff" – three from the club and one from the HOA - have spent countless hours removing rubbish and debris, and just generally cleaning up the river and its banks.

By Adam Hayes' count they have filled over 9,500 dustbin bags of litter since the February floods.

Fortunately Adam's contact at the Tshwane City Council comes through regularly to remove these bags from the property. Sadly, it is quite simply a never-ending job.
