Gift of a fitting

An opportunity for ALL golfers

There's a misconception out there that only highly skilled golfers stand to benefit from a fitting. The truth is that a fitting benefits all golfers, regardless of skill level and experience. In fact, highly skilled golfers are able to compensate for poorly fitted equipment, making a fitting arguably more important for less skilled golfers.

We'll set you up with the right clubhead design, shaft length and flex, lie angle, swing weight and grip size for you. Once you're playing with custom fitted equipment, it becomes a lot easier to improve your game and reach your full potential. That's the gift you get with a fitting.

What's in the box?

- Squarer contact with the ball
- Straighter, longer tee shots
- More confidence with your mid-long irons
- Ability to attack the flag with your wedges

The perfect gift

When you get fitted, you're getting so much more than a personalised club setup. You're getting the satisfaction of better ball striking and lower scores.

Why not give that gift to a friend or family member?
