Sunshine after rain

A superb rainbow after Tuesday's rain.

The all new Srixon ZX MK II Series

We literally unpacked the NEW ZX MKII Range yesterday so pop past the golf shop to take a look.

Make sure you take advantage of the fact that Srixon will be here next Friday, 18th November so you can test drive the clubs and ask them everything you need to know.

Last Man Standing

Here is a reminder of the details of our Last Man Standing Competition on Saturday, 3 December. There are two competitions in one – the Monthly Medal plus the Last Man Standing.

The competition works as follows:

- Add your handicap to the Par of the Course, which is 71. Let's assume your handicap is 14. Therefore, 71 plus 14 makes 85.
- You keep playing until you've hit your 85th shot. Wherever your ball ends up after 85 shots, you put a flag down to mark the spot. Flags will be supplied to each four-ball.
- Whoever gets the furthest around the golf course is the winner.
- If you go past the 18th hole, you still keep playing until you have hit your 85th shot.
- Full handicaps will be used.
- We will have a one-tee start that Saturday.

The winner will receive a pair of Duca del Cosma Golf Shoes valued at R2999.

Let us help you play better golf...

This month we take a look at the benefits of club fitting or custom fitting your golf clubs and the impact this can have on your game.

This week Joseph Phiri discusses what club fitting is and how it can benefit you. He also points out that you should do this outdoors where you can actually see the ball flight.

Joseph Phiri is the Head Professional at Zwartkop.

Gift of a fitting

Get off to more fliers

Your drive sets the tone for the rest of the hole. Losing the ball right (left for left-handers) is one of the most common mishits off the tee. That doesn't have to be the tone for you.

Confidence makes a huge difference with your driver. When you get your driver fitted, we'll look at aspects like loft, launch, swing weight, shaft length and flex as well as grip size. Once you're fitted, you'll be able to target those fairways with more confidence.

[Get fitted](#)

What's in the box?

- Squarer contact with the ball*
- Straighter, longer tee shots*
- More confidence with your mid-long irons*
- Ability to attack the flag with your wedges*

The perfect gift

When you get fitted, you're getting so much more than a personalised club setup. You're getting the satisfaction of better ball striking and lower scores.

Why not give that gift to a friend or family member.

How can we help you?

Connection matters

If there's one reason why everyone should play golf, it's the friends to be made and the connections to be nurtured.

We've all experienced a world where people have been separated and kept apart. The game of golf has so much potential to heal that world. The game helps to bring people together.

It's interesting that one survey of what people most enjoy about golf saw *"fun with friends"* at #1, ahead of personal achievement or accomplishment.

Sometimes when someone joins a golf club though it isn't as easy as they might like to find introductions when so many groups are already established.

If you'd like introductions

If you'd like to meet more people at the club, or be introduced to new playing partners, then we can help. Just reach out and we can have a chat about how we can help.
