Boy did we get rain

Centurion must be one of the rain capitals of South Africa.

We recorded over 103mm of rain at Zwartkop over the weekend. It's astounding.

The staff are hard at work clearing up the golf course and we will keep you in the loop.

Our thanks to Floris de Klerk for taking his membership loyalty to new heights yesterday. He helped us with a winch to clear a tree stuck at the 12th tee and then fell in the river - not for the faint-hearted!
