The Golf Shop:

The Best Place to Buy the Best, the Best place to Buy

You care about your game: patronize those who share the care...the golf professional and golf shop staff.

Here are 8 reasons why you should buy your clubs at the Otway's Golf Shop at Zwartkop.

1. This is YOUR golf shop. Items ordered for resale were purchased with you in mind. Your support is needed to maintain a high quality of inventory and personnel.
2. Only top grade, quality equipment will be sold. In golf equipment, there are many inexpensive, unweighted, unbalanced clubs on the market.
3. We offer discounts of all sets of equipment.
4. Most members have credit in the golf shop, which can be applied toward the purchase of a set of clubs.
5. We have many demo clubs that can be tried at the Driving Range or on the golf course.
6. We will custom fit your equipment to your golf game and your physical attributes.
7. We will trade in your old equipment. Although the market is not large, beginner golfers and juniors are always interested in used equipment.
8. We will specially order your equipment if needed.

Next week's Last Man Standing Competition

Saturday, 3rd December

We are looking forward to playing the Last Man Standing Competition next Saturday so make sure you enter!

This competition will incorporate the Monthly Medal and The Last Man Standing all in one. The competition works as follows:

- You add your handicap to the Par of the Course, which is 71. Let's assume your handicap is 14, therefore $71 + 14 = 85$.
- You keep playing until you've hit your 85th shot. Wherever your ball ends up after 85 shots, you put a flag down to mark the spot. Flags will be supplied to each four-ball.
- Whoever gets the furthest around the golf course is the winner.
- If you go past the 18th hole you still keep playing until you have hit your 85th shot.
- Full handicaps will be used.
- We will have a one-tee start that Saturday.

The winner will win a pair of Duca del Cosma Golf Shoes valued at R 2 999.

Stars of the Week

The GNGU Betterball Challenge took place at Blair Atholl on Sunday and Zwartkop was represented by Christopher and Francois Anderson and by Ina Rouse and Karen Graaff

The event was won by Johan Botha and Zandre Ferreira from Waterkloof on 46 pts. Chris and Francois Anderson tied for 7th on 41 pts and Ina Rouse and Karen Graaf finished 30th on 24pts.

Gift of a fitting

It's not always your fault

Falling short and missing the green isn't always a result of poor club selection or a swing problem. Sometimes it's simply a case of playing with equipment that's not right for you.

How can your equipment work against you? It could be an iron lie angle that's too upright for you, causing the face to close at impact and hook your ball. It could be a driver shaft that's too stiff for your swing speed, making it difficult to generate clubhead speed and square the face at impact. Perhaps your putter has too much toe hang for your arch type, or your wedges have too little bounce for your angle of attack. The best way to know for sure is to come in for a fitting.

Get fitted

What's in the box?

- Squarer contact with the ball
- Straighter, longer tee shots
- More confidence with your mid-long irons
- Ability to attack the flag with your wedges

ALL YOU NEED TO DO IS SWING

To add distance and power off the tee, you need improved energy transfer at impact. This was a main focus for Srixon when designing their new ZX Mk II Drivers; clubs that improve your energy transfer without you having to change your swing.

How can we help you?

Do you have something you
want to achieve?

There are many reasons we play golf. The social experience being the most important to many of us. But there are accomplishments and achievements that provide real satisfaction every time they come along.

Not every accomplishment has to be a win in an event. Sometimes they're personal accomplishments. Breaking 100 for the first time. Writing down a score in the 80s. Achieving a single-figure handicap. Of course winning an event is also nice.

For some of our younger golfers, the accomplishment is making a school team; or winning a regional event; or signing up to play college golf.

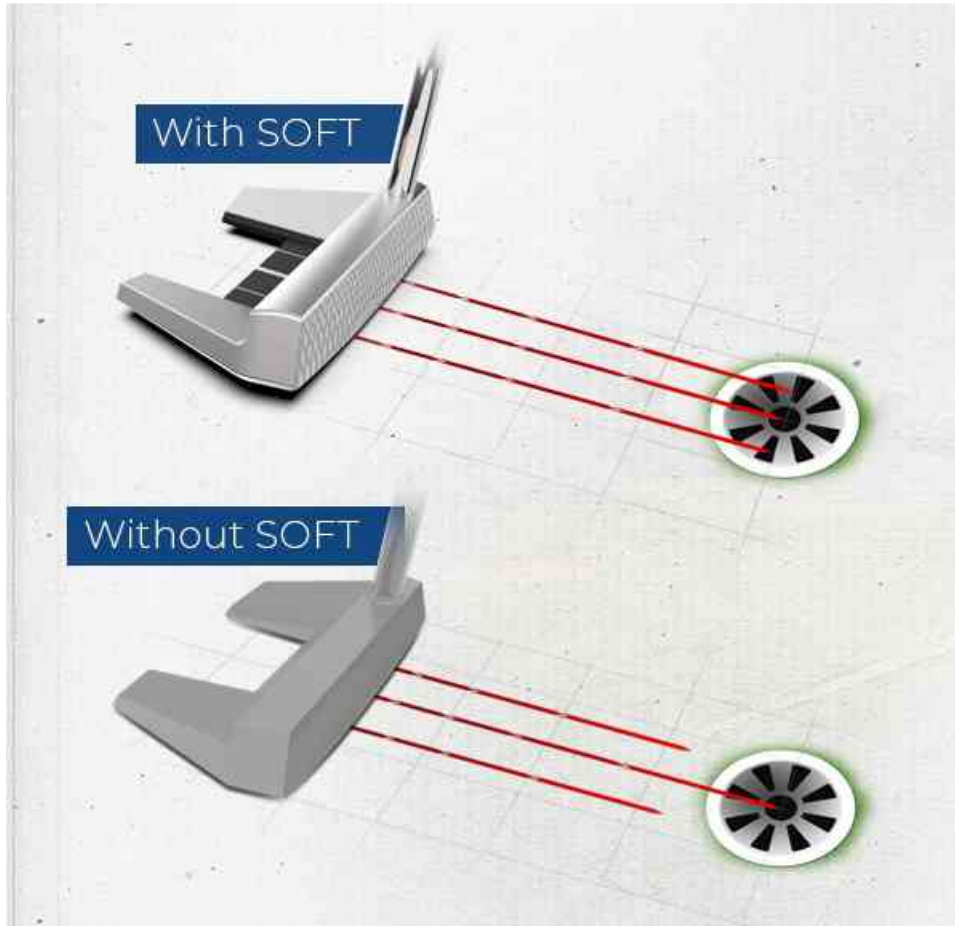

Having an ambition is worthwhile

If you have a target you'd like to work towards, then building a plan to get there, together with some assistance, guidance, or coaching, increases the chances of success. It also increases the likelihood that you'll enjoy your golf more this year. So, set yourself a target and

NO MORE COMING UP SHORT

You picked the right line and correctly read the green speed, yet a slight mishit leaves you short. Cleveland's new HB Soft Milled Putter solves this problem with its Speed Optimized Face Technology (SOFT). With SOFT, you get consistent launch and speed across the face, so your putt goes the distance more often.
