As the saying goes, it never rains but it pours – and boy have we had our share.

After wishing the rain away, with the heat wave over the last week, we are now wishing for some again. Our borehole pump broke down over the New Year's weekend so it took a good few days before someone would come out to repair it. They determined it was not repairable and we then had to order a new one. Added to that they discovered some of the piping had rusted and needed to be replaced.

The day they turned it on they found a leak in the pipe leading to the storage dam and that was compounded by load shedding. The result is greens that are now under severe stress.

We are waiting for feedback on how long it will take for them to recover and what needs to be done to ensure that this happens as soon as possible. We will provide feedback in Thursday's newsletter.

Kotie and Joseph celebrate 20 & 10 years at Zwartkop this month

Zwartkop is blessed to have some wonderful and loyal staff and this month we applaud Kotie and Joseph for their many years spent at Zwartkop.

They are two of the best – hard-working, passionate about what they do, loyal to the Club and an absolute pleasure to work with – and they put up with a lot of Hayes'.

On behalf of the Hayes family and all the members, we say a huge thank you for everything that they have done, do and no doubt will continue to do.
