Star of the Week...

Well done on your win Adam & Janine. Luke Paolo and Jacque Sherman had to pay up on a 20-year old bet to Adam and Janine Hayes when they lost their Saturday match thanks to Adam getting a hole-in-one on the 17th hole.

Golf Management Campus Bursary Day

The Golf Management Campus raises money at a golf day each year to cover the tuition expenses of a student from a previously disadvantaged background.

The Golf Management Campus' tagline is "Making dreams a Reality" – and that truly is the case with our bursary students who would otherwise not have the opportunity of pursuing a career in golf.

If you are in a position to support the event in any way please get in touch with Joanita. We would love players, sponsors, and donations – any contribution is welcome.

Shooting between 85 and 100?

Then you'll get the most benefit from a fitting

Too many golfers think that a fitting is for the very best players. In fact, if you're shooting between 85 and 100, you'll see a much bigger difference to your scorecard than anyone else if you play with fitted golf clubs.

[Book your fitting](#)

Clubs that fit your swing, size, athleticism, and your strength will not only minimise the impact of poor shots, they will make it easier to develop better swing technique.

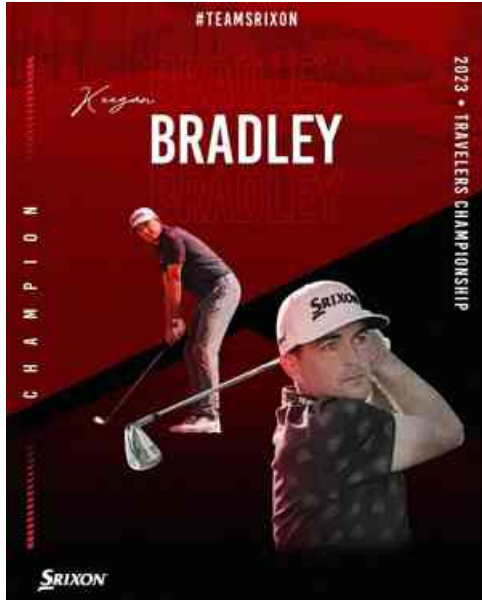

Did you buy clubs off the rack?

Often it isn't a matter of buying new clubs. Getting your clubs fitted makes it easier to hit good shots. Come see us.
