What can you do on Trackman?

New Zwartkop Junior Coaching program

With all the new changes happening at Zwartkop, we have decided to develop a new and improved Junior Coaching Academy program. The junior program will consist of different categories for different skill levels and age groups. Starting at age 5 and ending at 18, the category's are named after some of the Big 5 animals and the goal is to advance to the next level.

Beginner Level 1 – Rhino: includes 3 holes of on-course training and etiquette, competitions and more.

Intermediate Level 2 – Lion: includes 6-holes of on-course coaching, etiquette and how to score, with many challenges to overcome plus Trackman games and competitions.

Advanced Level 3 – Buffalo: includes more golf analysis and technique coaching, the use of the new Trackman facility and participation in club competitions such as Club Championship, Order of Merit, and end of term competitions.

Elite Level 4 – Leopard: if you get to this level, you are serious about your golf. This includes 9 holes of on-course coaching, swing analysis, Flightscope and Trackman technology at your fingertips, and much more.

The new program will launch on 1 October, so be on the lookout for more details or chat to either Duane – 078-459-1549 / duane@zwartkopcc.co.za or Adam 074-747-2030 / adam1@zwartkopcc.co.za to sign up. You can access details and prices here: <https://bit.ly/3Ogel9E>.

Singles Club

Singles Club is open to Single figure handicappers only and provides a great opportunity for some high-level but fun competition. The next event will take place on 20th August.

If you are a Single Figure golfer who is a 9-handicap or below off the blue tees, you can play in the Singles Club, but can only win the Net prize.

Give Brent Goddard or Francois Anderson a call.

Ask yourself the question

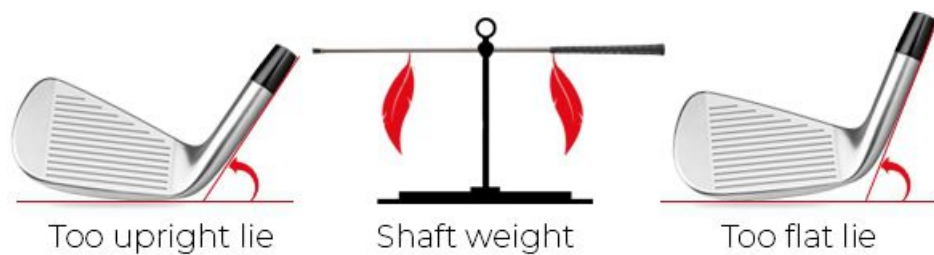

“Is it really my fault?”

You just can't hit that #6 or #5 iron. Is it your fault, really? A good swing is only half the package, there are two other important aspects of a setup that can make your long irons much easier to hit.

Do you struggle with all your irons? Or is there a definite number that marks the start of inconsistency? You don't have to struggle. You can be consistent with your whole set.

End the struggle

Playing with the wrong shaft weight, type, and flex or the wrong lie angle makes consistent ball striking a struggle.

Wedge shots around the green are all about getting as close to the hole as possible. A golf ball that spins readily and feels great makes this a lot easier to do consistently. The new Srixon Z-STAR is that ball.

Unlock chipping consistency

Having a go-to chip shot makes your short-game experience lots more fun and also helps keep your score down. Let's find yours and unlock more consistency and greenside glee.

Many routes to the same joy

While there are loads of theories on the most effective chipping technique – from ball position to swing path – there's no one method that's right for everyone. A short-game assessment will help us to lay the foundation of a method that is most effective for YOU. With a technique you trust and a wedge setup that's correct for you, you'll relish those scrambling moments and keep the momentum going through your round.

Go lower with your go-to

More up-and-downs mean lower scores and more greenside glee. Book a lesson and let's find your go-to!
