## From the Club

RIP David Mitchell

We are very sad to hear about the passing of long time, and very popular member David Mitchell. Both he and his wife played golf for years and David in fact used to wait at the club back in his teens.

Our sincere condolences go out to all who knew him, especially his family and his friends here at Zwartkop.

### Tee Times Available this Weekend

We have a few tee times available early on both Saturday and Sunday morning. You can book online – [www.zwartkopcountryclub.co.za](http://www.zwartkopcountryclub.co.za) or call the golf shop on (012)654-1144.

### Congrats to our Golf Management Campus Students

The students played in a PGA Provider Strokeplay Qualifier against Tuks Golf at Centurion CC on Monday.

We are proud to announce that John-George Pringle finished 2nd with a round of 73 and Gareth Willing finished 3rd with a round of 74. The winner was from Tuks and he scored 71. The top 3 players have qualified to play in the next round.

Thank you to the Professional Golfers Association of South Africa for hosting this event, it's a great opportunity for the students to play competitive golf.

## Zwartkop Junior Coaching program

With all the new changes happening at Zwartkop, we have decided to develop a new and improved Junior Coaching Academy program. The junior program will consist of different categories for different skill levels and age groups. Starting at age 5 and ending at 18, each category is named after one of the Big 5 and the goal is to advance to the next level.

The new program will launch on 1 October, so be on the lookout for more details or chat to either Duane – 078-459-1549 / [duane@zwartkopcc.co.za](mailto:duane@zwartkopcc.co.za) or Adam 074-747-2030 / [adam1@zwartkopcc.co.za](mailto:adam1@zwartkopcc.co.za) to sign up. You can access details and prices here: <https://bit.ly/3Ogel9E>.

# Jokers Wild draw

Come on down for a drink and the draw gets done at 18h30.

Ask yourself the question

“Is my driver stealing distance from me?”

Are you launching your drives with the right launch angle and spin rate for your swing speed? Once we know your swing speed, we can set your driver loft and shaft up to deliver your true distance, so you can fulfill your full potential.

*Did you know, increasing your clubhead speed by just 1 mph can add just over 3 metres of distance? With a fitting, we can do this in a matter of minutes.*

[Challenge us](#)

Faster swings generally require a lower launch angle with less spin while slower swings require a higher launch and slightly more spin to keep the ball airborne for longer.

## Which one are you?

Finding out where you lie on the swing speed spectrum is only the beginning. With that information we will tweak your setup to ensure you have the ideal launch conditions for more distance and accuracy off the tee.

# ALL YOU NEED TO DO IS SWING

To add distance and power off the tee, you need improved energy transfer at impact. This was a main focus for Srixon when designing their ZX Mk II Drivers; clubs that improve your energy transfer without you having to change your swing.

Greenside glee

## Caught in two minds?

We've all been there; on the greenside fairway but still far from the hole. Do we play a delicate wedge shot or a strong and long putt? Both shots involve some risk and lots of skill. But there's a third shot that – if you know how to play it – is easier and more effective.

The bump-and-run

*When facing a bare lie or uphill chip around the green, a bump-and-run may be a better option than a lofted shot with a wedge. It's less technically demanding and easier to pull off consistently. But which clubs should you use and when? How much roll out will you get? Come to us for a short-game assessment and we'll help you answer those questions while adding this useful shot to your repertoire.*

[Learn the bump-and-run](#)

## No more greenside confusion

Take the risk and guesswork out of those tricky shots around the green with a simple and effective bump-and-run technique.
