From the Club

Windhoek Fan Park for the Rugby World Cup

We had a great, festive weekend in our Windhoek Fan Park – and fortunately a win by the Boks! Hopefully the first of many on route to the Final.

Thank you to all those that came down and contributed to the wonderful atmosphere – we look forward to seeing you again soon.

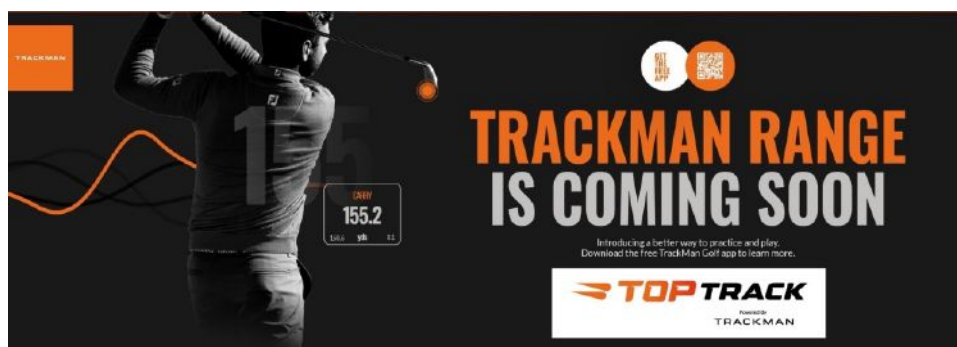

If we make the final stages, then the PRIVATE UPPER DECK (seating a max of 30 people) will be available for you to book as follows.

R750pp includes:

- Bottomless red and white wine
- Bottomless beer - Heineken Silver
- Fully stocked bar service
- Uninterrupted view of the big screen
- Biltong Platters and Hot Snacks

Please contact Zwartkop Catering for bookings of tables and especially the upper deck area. Call (012)654-1144 / admin@zwartkopcatering.co.za

The Trackman Range will open for its test run phase on Saturday

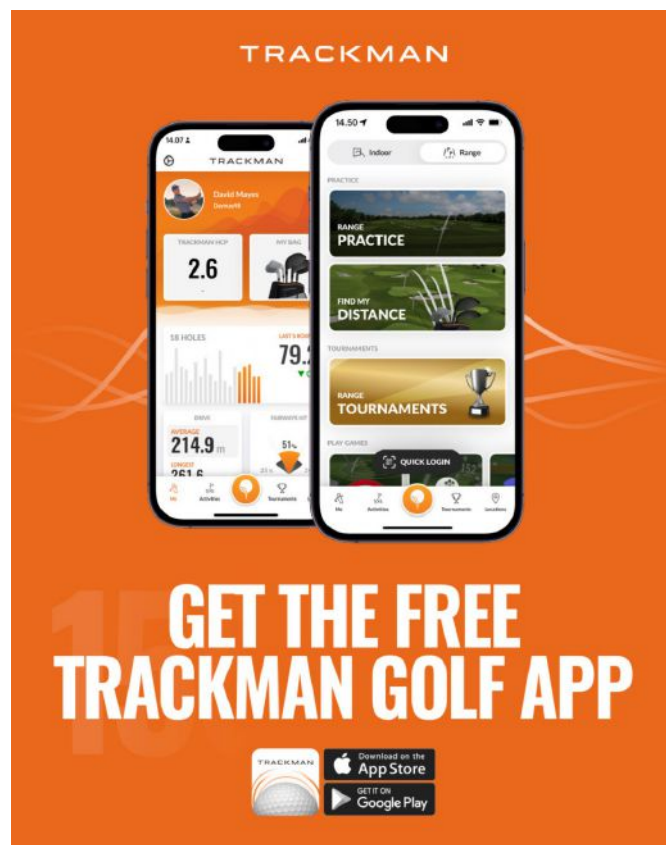

As mentioned in yesterday's mail, this is a test run phase. We have loads still to finish off over the next few weeks so please do not judge the book by its cover. The range will officially open in October once all the trimmings and finishes have arrived and been installed.

For now we need you to make use of the system so we can gather as much data as possible over the next three weeks to ensure the system is correctly calibrated.

Bookings will initially be done through the golf shop on (012)654-1144 / 2111.

In the meantime, download the App!

Padel Courts

The container with our padel courts should arrive tomorrow whereafter installation can begin. We'll keep you in the loop on those developments.

In the meantime, you should download the Playtomic App and set up an account so that you are ready to roll when we are!

The first step to your best summer golf yet

Spring is here and that means it's time to dust off those golf clubs and get back on the golf course! If you haven't been playing a lot in winter and you want to get back into the swing of things, or if you feel like your game is a bit rusty, let's help you get back on track so that you can play your best golf ever this summer.

Let's start your journey to your best golf season yet with a quick evaluation of where you are now and where you want to go. From there, we will make a personal recommendation to help you achieve your goal.

Fitting by the numbers

Become a spin doctor

While it's great watching chip shots zip and stop on a dime, we hate watching tee shots and approaches spin too much and sap distance.

Reap the reward of reduced spin

Balls struck lower on the face tend to spin too much, while those higher up tend to spin a lot less. To help you hit longer drives, we want to get you striking the ball centre to slightly above centre.

During a fitting, we'll check your swing tendencies and fit you with clubs and shafts that make it easier for you to strike the ball consistently.

[Book a fitting](#)

The average male golfer's spin rate is 3 275 rpm and their average carry distance 187 metres. By reducing spin to the optimal rate of 2 300 rpm, this carry distance would increase up to 208 metres!

Don't spin the wheel on your potential

Let's get you fitted for clubs that optimise spin rates so you can take control of your game.

Track to improve

Root out your putting struggles

Are three-putts ruining your scorecard? Turn threes into twos and not only will your scores come tumbling down, you'll also move from struggles to excitement!

Practice smarter

Controlling distance is a big part of putting better, so you should ensure your practice sessions incorporate this.

Using six 4-foot increments beginning at 4-feet, putt from three different locations on a practice green. Track the number of times you three-putt and the distance from which you do.

If you three-putted more than four times across the 18 putts, visit us for a lesson and let's bring that number down to zero!

Turn threes into twos

Understanding which distances you struggle from goes a long way to turning three-putts into two-putts.
