Golf Carts

We have 16 golf carts at Zwartkop. Every now and then, we have a member complain that we have run out of carts. Please ensure that you book your cart when you book your game to avoid disappointment.

The Driving Range

Unfortunately, we have to report that in addition to losing golf balls that end up in the long grass, we are also experiencing a great deal of range balls being stolen.

I'm amazed that golfers would risk their reputation to be caught stealing range balls. I mean, do you know that Srixon range balls are made to fly 10% shorter than regular balls? If I were going to chance stealing golf balls, I would at least steal balls that flew the regular distance.

Please note that if we catch anyone stealing, we will prosecute. There are already cameras up on the Trackman Range, and more are being added on the grass range too.

Stars of the Week

The first four names from 9-hole rounds played in December 2023 to go into the Club's pot for the Race to the R&A 9-Hole Challenge are:

Kagiso Maleka

Daniel Visser

Iwan Kemp

Riaan Fraser

GolfrSA Race to the R&A 9 Hole Challenge at Troon 2024

Ask your Golf Director, Club Professional or Club Manager about how the GolfrSA Race to the R&A 9 Hole Challenge is going to be played at your Golf Club!

Play at your Golf Club and win entry into the Regional Final Lucky draw where all golfers have an equal chance of winning several great prizes – including a place in the National Final field.

Be one of the top two performing players at the National Final and win an all-expenses paid trip to Troon in Scotland to play in the R&A 9 Hole Challenge *and* attend the 2024 Open Championship!

Support your Golf Club and have a fun time playing 9!

For Full Details go to www.golfrsa.com

Remember that every 9-hole round you play at Zwartkop until March 31st, '24, will be entered into the Club's lucky draw. We will draw four names each month, which will then go into our final Club Draw. At the Final draw, two names will be drawn to go through to Golf RSA's Regional lucky draw.

If you make it all the way through, you could win a trip to The R&A 9 Hole Challenge at Royal Troon the Friday before the 152nd Open Championship. You may even receive tickets for 2 practice days and 2 championship days at The Open.

Make sure you start registering those 9-hole rounds!

Only Zwartkop members' rounds go into our Club draw, but unfortunately, no one under eighteen will be able to win entry into the Regional Final Lucky Draw.

Make golf your Valentine

Fall in love with golf

Valentine's Day might be about celebrating romantic love, but we think it's also a great opportunity to fall in love with golf.

3 Reasons to love golf

Quality time

What's better than a few hours sharing a common passion with the special people in your life? It could be your partner, children, grandchildren or friends, or all of them.

Self-care

Aside from the fact that walking 18 holes burns over a thousand calories, you're also out in nature, unplugged from electronic devices and away from notifications, news feeds and stress.

Eternal hope

You could hack through the rough on your way to the green, but save a shot by holing a 30-footer and it was all worth it.

There's always the next shot, the next hole, the next round to look forward to. There's always a chance something special could happen.

For the love of the game

Let us know what you love about this wonderful game and we'll help you experience it more often.

Cleveland Launch

Launcher XL2 Driver

What will you experience?

- Gains in distance that only a mainframe face designed by Ai can give you.
- The impact on power of a driver with two 'flex' zones to increase rebound speed and therefore ball speed.
- Noticeable improvement in forgiveness in high and low contact on the face.
- A clubhead you get back to the ball, square at impact more often.
