Stars of the week

Congratulations to Cornel Combrinck who had a hole in one on the 8th Hole yesterday!

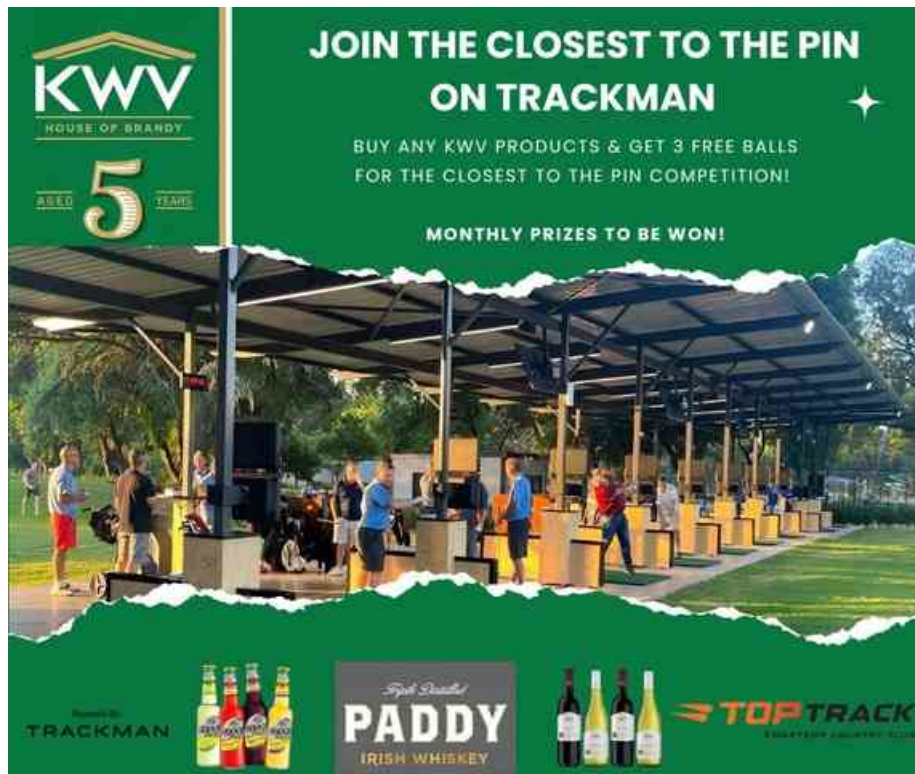

Gene Sarazen Hole-In-One Challenge

Unfortunately no one was able to make a hole-in-one during our Gene Sarazen Hole in One Challenge on Troon's 8th Hole on Trackman. The closest we got was with Jaco van der Bergh who hit the pin.

KWV Closest to the Pin on Trackman

The Closest to the Pin competition continues....Buy a Bucket of Hooch; KWV Premix Bucket; Imagin Gin Special; KWV Brandy Special; Paddys Whiskey Special or any KWV Wine and you will receive a voucher to hit 3 balls in the Closest to the Pin competition on the TopTrack Range powered by Trackman

From the Sports Department

Top Padel Zwartkop is now a Discovery Vitality Points linked fitness facility

If you are a Discovery Vitality member, when playing padel at Zwartkop, make sure that you scan in at the start of your session using the Octiv QR code at the padel kiosk on the range. You must scan out again at the end of your session as the QR code is updated every hour. You will be rewarded with 100 Vitality Points when you exercise for at least 30 minutes (please note that it can take 3 – 5 days for points to reflect).

Book for Padel through the Playtomic App.

TopTrack Range powered by TrackMan

As the range gets busier, we would highly recommend that players pre-book their slots through the golf shop on (012)654-1144 – especially for weekends and public holidays. Make sure you download the TrackMan App as it is a great way to keep a tab on your stats and track your improvement when using the range.

You can download the App here:

- [App store](#)
- [Google Play](#)

If you are unsure how to load a profile on the TrackMan App – check out this step-by-step poster which takes you through the process. Of course our TopTrack staff are also happy to assist – chat to Gareth or Michael on the Range.

The Game of Misses

CAN *you* CHANGE?

Most golfers look at an approach shot and if not planning for perfection, plan for near perfection.

We're advocating that you look at the green ahead and plan to make sure you never lose 2 shots and always leave yourself the opportunity for an up and down if you do miss the green. You plan to avoid the trouble that makes that most difficult.

Below is a layout similar to the one we used in the first of this series. What would be your cover number and where, informed by your shot dispersion pattern, would you be aiming?

This is the complexity of the problem that faces the very best and the least experienced.

The Par 3 12th at Augusta is a hole that requires a very clear thought process. Challenges like that, designed to frustrate a player or spoil a good round, exist on our course. They exist on every golf course. [Learn more.](#)

Let us help you have a great round

Why not challenge us? Come and book a playing lesson and we'll provide swing advice and technique improvement. But we'll also provide you insights that will reduce your frustrations with the game and allow you to shoot lower scores.

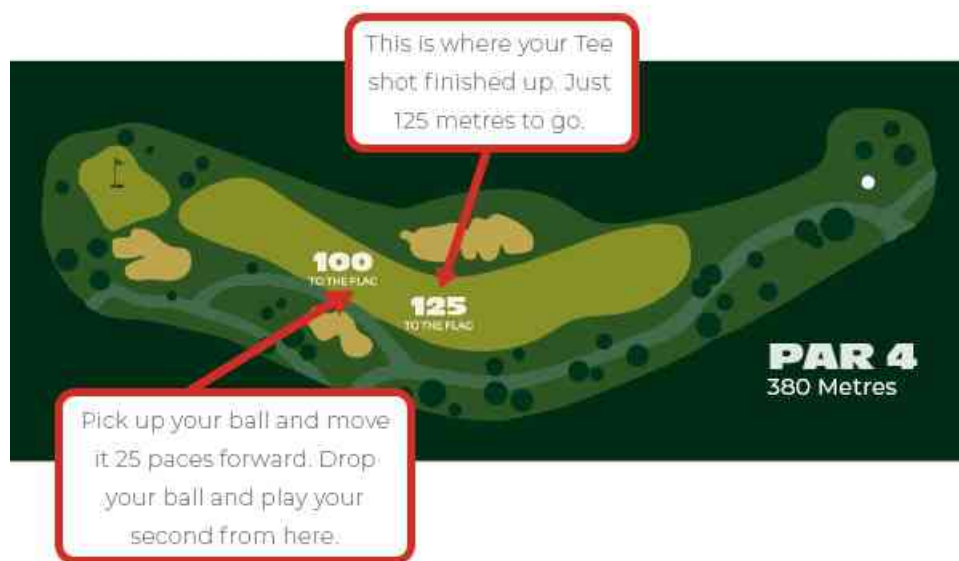

Help me have a great round

The transfer of power

See the impact

Find time with friends to play a fun 9-holes with a difference late one afternoon in the week. Excluding Par 3s, after each tee shot, you get to walk your golf ball up to 25 metres further up the fairway (if you found the fairway) or 25 metres further up the rough (if you found the rough).

Drop your ball, and that's where you're playing your 2nd shot from.

Was that a lot of fun? How much easier were your approach shots? What did you score?

Forget the technology story or hype. A fitting session with a 2024 driver to create the right launch conditions and consistency, along with added ball speed, can give you that 25 metres. For some golfers will get even more.

Change your **EXPERIENCE**

It's not about the feeling of hitting the ball 25 metres further off the tee. It's the feeling you get when you're faced with a 25 metres shorter approach. That will mean less likelihood of serious trouble and more magic moments. Going as far as possible down the fairway changes your experience of the game of golf.
