Introduce her to golf

ENJOY a shared retirement

If you have a spouse who doesn't play golf, then let us help to make sure you'll get to play as much golf as you want. Introduce your partner to golf and create memories together on the course. But also let them know they won't just be stuck with you, they'll get to meet new friends as well.

There's also a world of new golf
vacation possibilities.

And another social network to
create new connections.

Let us **KNOW**

If you know a woman who you think could enjoy the health, lifestyle, social and fun benefits of golf, please introduce them to us. Or let them know we've got great coaches and fun introductory programmes.
