## What do YOU WANT?

Why do you play golf? What is important about the game to you? Which of the following reasons motivate you to play the game?

If we've missed any potential motivations, then please feel free to send us your suggestions.

#### A simple question

We would be interested in your answer to a very simple question. It compares the importance of two of the motivations in the circle above.

[Read the question and please send us your answer.](#)

#### The motivations for others

There are very good reasons for children to participate in the game through a structured coaching programme.

We would add three other Cs to this wheel. Challenge (learning through struggle). Competence (gaining skills). In 2025 we'd also add CONNECTION. The ability in the real world to interact and connect with others away from phones, screens, computers etc.

If you have a child you'd like us to introduce to golf, then please reach out. Call in at the club or send us a 'contact' request and we'll reach out to you.

If you missed the

There's a simple question we'd like as many members as possible to answer. It asks you to prioritise one motivation vs. another.

Today, because of the improvements in materials and manufacturing, the best brands offer each golfer different model options. The selection of the technology that delivers the most for your golf game is as much part of the fitting process as a shaft or lie angle.

Srixon have forged feel into every club below. From player's irons to a solution that's full of forgiveness.

<b>ZXi7</b> PLAYERS	<b>ZXi5</b> PLAYER'S DISTANCE	<b>ZXi4</b> GAME IMPROVEMENT
 <p>The i-frame design positions more weight behind the point of impact. Solid shots that go further.</p>	 <p>A network of milled channels on the back of the face amplifies both ball speed and forgiveness.</p>	 <p>Forged feel and a players-inspired look but the hollow design helps with forgiveness and launch.</p>

Can we **IMPROVE** your golf

Whether it's with a perfectly matched and fitted iron set or improvement in swing technique, we're committed to you having a better golf game?

**I'd like a Swing Assessment**
